

ZERO M-SERIES SLEEVE & MANDREL KIT - AREA 419 ZERO M-SERIES 300 PRC SLEEVE & MANDREL KIT

[Reloading](#) > [Case Preparation](#) > [Neck Turning](#) > [Turning & Expander Mandrels](#)

ZERO M-SERIES SLEEVE & MANDREL KIT When Area 419 released the ZERO M-Series Die it changed the way the serious reloader thought about dies and how headspace should work. Along with Area 419's reamer cut sizing chambers, that fully size the case body, the integration of a full-length ground mandrel, and spring loaded decapping, the micrometer adjustability for headspace was unlike ANYTHING on the market. What Area 419 also knew would be a huge deal for reloaders though is the modularity of the dies. Available now are modular sizing sleeves for these dies. NOTE - THESE ARE REPLACEMENT SIZING INSERTS FOR M-SERIES DIES. DO NOT BUY THIS IF YOU DO NOT ALREADY OWN AN M-SERIES DIE, YOU WILL NOT BE ABLE TO USE THE ITEM. INCLUDED One Sizing Sleeve in the chosen caliber. These are exactly like the internal sleeves that come in the complete dies One mandrel, delivering approx .002" of neck tension in use, just like comes in the dies standard. One extra decapping pin It's a simple package that allows you to get the most of your M-Series dies.

Attributes

- Name: [AREA 419 ZERO M-SERIES 300 PRC SLEEVE & MANDREL KIT](#)
- Manufacturer: [AREA 419](#)
- Product no.: 430112738

ZERO MSERIES SLEEVE & MANDREL KIT

Safety Instructions

Introduction

Thank you for choosing the ZERO MSERIES SLEEVE & MANDREL KIT from Area 419. This product is designed to enhance your reloading experience. To ensure your safety and the safety of others while using this product, please read and follow the guidelines outlined in this manual.

General Safety Guidelines

- Always handle the ZERO MSERIES SLEEVE & MANDREL KIT with care.
- Ensure that you are familiar with the operation of your reloading equipment before using this kit.
- Keep this product out of reach of children and vulnerable individuals.
- Always wear appropriate safety gear, including safety glasses and gloves, when reloading ammunition.
- Regularly inspect your equipment for signs of wear or damage.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Modularity Warning:** This kit includes modular sizing sleeves that are designed as replacement inserts for MSeries dies. Do not attempt to use this kit if you do not already own an MSeries die.
- **Neck Tension:** The mandrel provides approximately .002" of neck tension. Ensure that this tension is suitable for your specific reloading needs.
- **Decapping Pin:** Use the extra decapping pin provided in the kit to avoid damaging the mandrel or sizing sleeve.
- **Work Area:** Always work in a clean, dry, and welllit area when using this product to minimize the risk of accidents.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and ensure your work area is clean and organized.
- Review the specifications and compatibility of your MSeries die.

2. Installation:

- Remove the existing sizing sleeve from your MSeries die by following the manufacturer's instructions.
- Insert the new sizing sleeve from the ZERO MSERIES SLEEVE & MANDREL KIT into the die until it seats firmly.
- Insert the mandrel into the sleeve, ensuring a secure fit.

3. Usage:

- Adjust the micrometer for headspace according to your reloading specifications.
- Proceed with reloading as per your standard operating procedures, ensuring to monitor the neck tension during the process.
- After use, clean and inspect the components for any signs of wear or damage.

4. Storage:

- Store the ZERO MSERIES SLEEVE & MANDREL KIT in a safe, dry place away from children and pets.
- Ensure that all components are securely stored to prevent damage.

Disposal Instructions

- Dispose of any damaged or worn components in accordance with local regulations.
- Do not dispose of the product in regular household waste. Instead, consider recycling options available in your area.

Contact Information for Further Support

For any inquiries regarding safety or product usage, please refer to the provided contact details from your supplier or manufacturer. It is important to have access to support for any questions or concerns you may have regarding the ZERO MSERIES SLEEVE & MANDREL KIT.

Thank you for choosing Area 419. Your safety is our priority.
