

ZERO M-SERIES SLEEVE & MANDREL KIT - ZERO M-SERIES 223 REMINGTON SLEEVE & MANDREL KIT

ZERO M-SERIES SLEEVE & MANDREL KIT When Area 419 released the ZERO M-Series Die it changed the way the serious reloader thought about dies and how headspace should work. Along with Area 419's reamer cut sizing chambers, that fully size the case body, the integration of a full-length ground mandrel, and spring loaded decapping, the micrometer adjustability for headspace was unlike ANYTHING on the market. What Area 419 also knew would be a huge deal for reloaders though is the modularity of the dies. Available now are modular sizing sleeves for these dies. NOTE - THESE ARE REPLACEMENT SIZING INSERTS FOR M-SERIES DIES. DO NOT BUY THIS IF YOU DO NOT ALREADY OWN AN M-SERIES DIE, YOU WILL NOT BE ABLE TO USE THE ITEM. INCLUDED One Sizing Sleeve in the chosen caliber. These are exactly like the internal sleeves that come in the complete dies One mandrel, delivering approx .002" of neck tension in use, just like comes in the dies standard. One extra decapping pin It's a simple package that allows you to get the most of your M-Series dies.

Attributes

- Name: ZERO M-SERIES 223 REMINGTON SLEEVE & MANDREL KIT
- Manufacturer: AREA 419
- Product no.: 430112739
- Mfr. No.: 419-ZERODIESM-223

ZERO MSERIES SLEEVE & MANDREL KIT

Safety Instructions

Introduction

Thank you for choosing the ZERO MSERIES SLEEVE & MANDREL KIT. This product is designed to enhance your reloading experience with precision and safety in mind. Please read this safety instruction guide carefully to ensure safe and effective use.

General Safety Guidelines

To ensure the safety of yourself and others, please follow these general safety guidelines:

- Always handle reloading equipment with care.
- Keep the product out of reach of children and vulnerable individuals.
- Ensure you are familiar with the operation of the product before use.
- Always wear appropriate safety gear, including eye protection, when reloading.
- Store the product in a cool, dry place away from direct sunlight and moisture.
- Regularly inspect the product for any signs of wear or damage.

Specific Safety Precautions for Use

When using the ZERO MSERIES SLEEVE & MANDREL KIT, please adhere to the following precautions:

- Ensure that you are using the correct caliber sleeve for your MSeries die.
- Do not attempt to use the kit if you do not already own an MSeries die.
- Avoid overtightening components, as this may cause damage or malfunction.
- Do not modify the product in any way, as this may compromise safety and performance.
- Always follow the manufacturer's instructions for installation and usage.
- Be aware of the potential hazards associated with reloading, including the handling of gunpowder and primers.

Instructions for Installation and Usage

Follow these steps for proper installation and usage of the ZERO MSERIES SLEEVE & MANDREL KIT:

1. Preparation

- Gather all necessary tools and safety equipment.
- Ensure your workspace is clean and organized.

2. Installation

- Select the appropriate sizing sleeve for your chosen caliber.
- Carefully insert the sizing sleeve into the MSeries die, ensuring it is securely in place.
- Insert the mandrel into the sleeve, ensuring it fits snugly.
- Install the decapping pin as needed.

3. Usage

- Set your micrometer to the desired headspace measurement.
- Follow standard reloading procedures, ensuring all components are correctly aligned.
- Monitor the process closely for any irregularities or issues.

4. PostUsage

- After completing your reloading session, carefully disassemble the components.
- Clean all parts thoroughly to remove any residue or debris.
- Store the kit in its designated location.

Disposal Instructions

To ensure environmental safety, please follow these disposal instructions:

- Dispose of any damaged or worn components in accordance with local regulations.
- Recycle packaging materials where possible.
- Do not dispose of the product in household waste; check for local recycling options.

Contact Information for Further Support

For any questions or concerns regarding the ZERO MSERIES SLEEVE & MANDREL KIT, please refer to the manufacturer's contact information provided with your product. You can also check for updates and safety recalls through the EU's Safety Gate platform.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities. Enjoy your reloading experience with the ZERO MSERIES SLEEVE & MANDREL KIT.
