

ZERO M-SERIES SLEEVE & MANDREL KIT - AREA 419 ZERO M-SERIES 223 REMINGTON SLEEVE & MANDREL KIT

[Reloading](#) > [Case Preparation](#) > [Neck Turning](#) > [Turning & Expander Mandrels](#)

ZERO M-SERIES SLEEVE & MANDREL KIT When Area 419 released the ZERO M-Series Die it changed the way the serious reloader thought about dies and how headspace should work. Along with Area 419's reamer cut sizing chambers, that fully size the case body, the integration of a full-length ground mandrel, and spring loaded decapping, the micrometer adjustability for headspace was unlike ANYTHING on the market. What Area 419 also knew would be a huge deal for reloaders though is the modularity of the dies. Available now are modular sizing sleeves for these dies. NOTE - THESE ARE REPLACEMENT SIZING INSERTS FOR M-SERIES DIES. DO NOT BUY THIS IF YOU DO NOT ALREADY OWN AN M-SERIES DIE, YOU WILL NOT BE ABLE TO USE THE ITEM. INCLUDED One Sizing Sleeve in the chosen caliber. These are exactly like the internal sleeves that come in the complete dies One mandrel, delivering approx .002" of neck tension in use, just like comes in the dies standard. One extra decapping pin It's a simple package that allows you to get the most of your M-Series dies.

ZERO MSERIES SLEEVE & MANDREL KIT

Safety Instructions

Introduction

Thank you for choosing the ZERO MSERIES SLEEVE & MANDREL KIT. This product is designed for serious reloaders who seek precision and reliability in their reloading processes. To ensure safe and effective use of this product, please carefully read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always use the product according to the manufacturer's instructions.
- Ensure that the workspace is clean, dry, and wellventilated.
- Keep the product out of reach of children and unauthorized persons.
- Regularly inspect the product for wear or damage before use.
- If you notice any defects or irregularities, discontinue use immediately and contact the manufacturer.
- Be aware of the specific hazards associated with reloading and take appropriate precautions.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Use only the recommended caliber sizing sleeves with the ZERO MSERIES dies.
- Do not attempt to modify or alter the product in any way.
- Wear appropriate safety gear, including eye protection, when using this product.
- Ensure that all components are securely fastened before use to avoid accidents.
- Avoid overtightening components, as this can lead to damage or malfunction.
- Keep hands and other body parts clear of moving parts during operation.
- Follow all local laws and regulations regarding reloading and ammunition.

Instructions for Installation and Usage

1. Installation of Sizing Sleeve:

- Remove the existing sizing sleeve from the MSeries die.
- Select the appropriate caliber sizing sleeve from the kit.
- Insert the new sizing sleeve into the die, ensuring a secure fit.
- Confirm that the sleeve is properly seated before proceeding.

2. Installation of Mandrel:

- Take the mandrel included in the kit.
- Insert the mandrel into the sizing sleeve.
- Ensure that the mandrel is securely in place and properly aligned.

3. Decapping Pin Installation:

- Remove the old decapping pin if necessary.
- Insert the new decapping pin into the designated slot.
- Verify that the pin is securely fastened.

4. Using the MSeries Die:

- Set the die to the desired headspace using the micrometer adjustability feature.

- Place the case to be resized in the die.
- Follow the reloading process as per your usual methods, ensuring all safety precautions are observed.

5. PostUse:

- After use, clean the components to remove any debris or residue.
- Store the kit in a safe, dry location, away from children and pets.

Disposal Instructions

- Dispose of any damaged or worn components in accordance with local regulations.
- Do not dispose of the product in general waste. Instead, check for recycling options or designated disposal sites for reloading components.
- Ensure that all residues from reloading processes are disposed of safely and responsibly.

Contact Information for Further Support

For any inquiries regarding safety, usage, or support with the ZERO MSERIES SLEEVE & MANDREL KIT, please refer to the manufacturer's official contact channels.

Thank you for prioritizing safety and compliance while using the ZERO MSERIES SLEEVE & MANDREL KIT. Enjoy your reloading experience!
