

ZERO M-SERIES SLEEVE & MANDREL KIT - ZERO M-SERIES 22 GT SLEEVE & MANDREL KIT

ZERO M-SERIES SLEEVE & MANDREL KIT When Area 419 released the ZERO M-Series Die it changed the way the serious reloader thought about dies and how headspace should work. Along with Area 419's reamer cut sizing chambers, that fully size the case body, the integration of a full-length ground mandrel, and spring loaded decapping, the micrometer adjustability for headspace was unlike ANYTHING on the market. What Area 419 also knew would be a huge deal for reloaders though is the modularity of the dies. Available now are modular sizing sleeves for these dies. NOTE - THESE ARE REPLACEMENT SIZING INSERTS FOR M-SERIES DIES. DO NOT BUY THIS IF YOU DO NOT ALREADY OWN AN M-SERIES DIE, YOU WILL NOT BE ABLE TO USE THE ITEM. INCLUDED One Sizing Sleeve in the chosen caliber. These are exactly like the internal sleeves that come in the complete dies One mandrel, delivering approx .002" of neck tension in use, just like comes in the dies standard. One extra decapping pin It's a simple package that allows you to get the most of your M-Series dies.

Safety Instruction Guide for ZERO MSERIES SLEEVE & MANDREL KIT

Introduction

Thank you for choosing the ZERO MSERIES SLEEVE & MANDREL KIT. This product is designed for serious reloaders who want to enhance their reloading experience. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Ensure safe use of the ZERO MSERIES SLEEVE & MANDREL KIT by following all instructions carefully.
- Be aware of potential hazards associated with reloading, including but not limited to:
 - Improper handling of components
 - Use of incorrect calibers
 - Inadequate maintenance of tools
- Always store reloading components and tools out of reach of children and vulnerable individuals.
- Regularly check for updates on product recalls and safety alerts through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection and gloves, when using the kit.
- Ensure that the reloading area is wellventilated and free from distractions.
- Do not exceed recommended loads as specified in reliable reloading manuals.
- Avoid using the kit if you are under the influence of drugs or alcohol.
- Keep the workspace clean and organized to prevent accidents.
- If you notice any damage to the kit or components, do not use them until they have been inspected and repaired if necessary.

Instructions for Installation and Usage

• Installation

1. Ensure that you have an MSERIES DIE before purchasing this kit, as it contains replacement sizing inserts.
2. Select the appropriate sizing sleeve for the caliber you are working with.
3. Insert the sizing sleeve into the MSERIES DIE, ensuring it is securely fitted.
4. Attach the mandrel as per the instructions provided with your MSERIES DIE.

• Usage

1. Set the desired headspace using the micrometer adjustability feature of the MSERIES DIE.
2. Ensure that the mandrel is properly aligned and secured in place.
3. Begin the reloading process by following standard reloading procedures.
4. Monitor the neck tension provided by the mandrel to ensure optimal performance.
5. After use, clean the components to maintain their functionality.

Disposal Instructions

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not dispose of reloading materials in regular household waste.
- Check with local authorities for proper disposal methods for hazardous materials.

Contact Information for Further Support

For any inquiries or additional support regarding the ZERO MSERIES SLEEVE & MANDREL KIT, please refer to the contact information provided with your product packaging. It is important to have access to assistance for any safety concerns or productrelated questions.

By following these guidelines, you can ensure a safe and effective reloading experience with the ZERO MSERIES SLEEVE & MANDREL KIT. Thank you for your commitment to safety.
