

ZERO M-SERIES SLEEVE & MANDREL KIT - ZERO M-SERIES 7MM PRC SLEEVE & MANDREL KIT

ZERO M-SERIES SLEEVE & MANDREL KIT When Area 419 released the ZERO M-Series Die it changed the way the serious reloader thought about dies and how headspace should work. Along with Area 419's reamer cut sizing chambers, that fully size the case body, the integration of a full-length ground mandrel, and spring loaded decapping, the micrometer adjustability for headspace was unlike ANYTHING on the market. What Area 419 also knew would be a huge deal for reloaders though is the modularity of the dies. Available now are modular sizing sleeves for these dies. NOTE - THESE ARE REPLACEMENT SIZING INSERTS FOR M-SERIES DIES. DO NOT BUY THIS IF YOU DO NOT ALREADY OWN AN M-SERIES DIE, YOU WILL NOT BE ABLE TO USE THE ITEM. INCLUDED One Sizing Sleeve in the chosen caliber. These are exactly like the internal sleeves that come in the complete dies One mandrel, delivering approx .002" of neck tension in use, just like comes in the dies standard. One extra decapping pin It's a simple package that allows you to get the most of your M-Series dies.

ZERO MSERIES SLEEVE & MANDREL KIT

Safety Instructions

Introduction

Thank you for choosing the ZERO MSERIES SLEEVE & MANDREL KIT. This product is designed for serious reloaders seeking precision and modularity in their reloading process. To ensure your safety and the effective use of this product, please read this guide carefully.

General Safety Guidelines

- Always ensure that the product is used in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- Always wear appropriate safety gear, such as safety glasses and gloves, when using reloading equipment.
- Report any unsafe conditions or accidents to the relevant authorities.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - The use of this product may involve risks such as:
 - Injury from improper handling or operation.
 - Damage to the product if not used with compatible MSeries dies.
- **Avoiding Hazards:**
 - Always ensure that you are using the correct caliber sleeve and mandrel for your MSeries die.
 - Do not attempt to use the sleeve and mandrel kit with any dies other than the MSeries.
 - Follow all reloading safety practices, including the proper handling of materials and tools.

Instructions for Installation and Usage

1. Installation:

- Ensure that your workspace is clean and free of distractions.
- Select the appropriate sizing sleeve based on your desired caliber.
- Carefully insert the sizing sleeve into the MSeries die until it is securely in place.
- Attach the mandrel by aligning it with the sleeve and ensuring a snug fit.

2. Usage:

- When reloading, follow the manufacturer's guidelines for your specific die setup.
- Use the micrometer adjustability feature to set the desired headspace precisely.
- Ensure that you are applying the correct amount of neck tension as specified in your reloading data.
- After use, clean the components to maintain their condition and performance.

Disposal Instructions

- Dispose of any packaging materials responsibly, following local recycling guidelines.
- If the product is damaged or no longer usable, follow local regulations for the disposal of reloading equipment and components.

Contact Information for Further Support

For any questions or concerns regarding the ZERO MSERIES SLEEVE & MANDREL KIT, please refer to the manufacturer's website or contact their support team.

Thank you for prioritizing safety and compliance with these guidelines. Enjoy your reloading experience with the ZERO MSERIES SLEEVE & MANDREL KIT!
