

ZERO M-SERIES SLEEVE & MANDREL KIT - AREA 419 ZERO M-SERIES 7MM PRC SLEEVE & MANDREL KIT

[Reloading](#) > [Case Preparation](#) > [Neck Turning](#) > [Turning & Expander Mandrels](#)

ZERO M-SERIES SLEEVE & MANDREL KIT When Area 419 released the ZERO M-Series Die it changed the way the serious reloader thought about dies and how headspace should work. Along with Area 419's reamer cut sizing chambers, that fully size the case body, the integration of a full-length ground mandrel, and spring loaded decapping, the micrometer adjustability for headspace was unlike ANYTHING on the market. What Area 419 also knew would be a huge deal for reloaders though is the modularity of the dies. Available now are modular sizing sleeves for these dies. NOTE - THESE ARE REPLACEMENT SIZING INSERTS FOR M-SERIES DIES. DO NOT BUY THIS IF YOU DO NOT ALREADY OWN AN M-SERIES DIE, YOU WILL NOT BE ABLE TO USE THE ITEM. INCLUDED One Sizing Sleeve in the chosen caliber. These are exactly like the internal sleeves that come in the complete dies One mandrel, delivering approx .002" of neck tension in use, just like comes in the dies standard. One extra decapping pin It's a simple package that allows you to get the most of your M-Series dies.

ZERO MSERIES SLEEVE & MANDREL KIT

Safety Instructions

Introduction

Thank you for purchasing the ZERO MSeries Sleeve & Mandrel Kit from Area 419. This product is designed for serious reloaders who seek precision and modularity in their reloading process. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Ensure that you are familiar with the operation of reloading equipment before using this product.
- Always wear appropriate safety gear, including safety glasses and gloves, when handling reloading materials.
- Keep the work area clean and organized to prevent accidents.
- Store the kit in a dry and secure location, away from children and pets.
- Regularly inspect the kit for any signs of damage or wear. Do not use damaged components.
- Follow all local laws and regulations regarding reloading and ammunition.

Specific Safety Precautions for Use

- **Modularity Warning:** This kit includes modular sizing sleeves that are specifically designed for use with MSeries dies. Ensure you have an MSeries die before purchasing this kit.
- **Neck Tension Caution:** The mandrel included in the kit provides approximately .002" of neck tension. Ensure that you understand how this tension affects the reloading process.
- **Decapping Pin Care:** Handle the extra decapping pin with care. It is a delicate component that can bend or break if mishandled.
- **Sizing Sleeve Handling:** When changing or installing sizing sleeves, ensure the die is securely mounted and the press is in a safe position to avoid injury.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials for reloading.
- Ensure your work area is clean and welllit.

2. Installation of Sizing Sleeve:

- Remove the existing sizing sleeve from your MSeries die.
- Carefully insert the new sizing sleeve into the die, ensuring it fits snugly.
- Secure the sleeve in place as per the manufacturer's instructions.

3. Installation of Mandrel:

- Insert the mandrel into the sizing sleeve.
- Ensure it is positioned correctly to provide the desired neck tension.

4. Decapping Pin Installation:

- Replace or install the decapping pin as needed.
- Ensure it is properly seated to avoid misfires or damage during operation.

5. Reloading Process:

- Follow standard reloading procedures, ensuring all components are securely in place.
- Monitor the process closely for any abnormalities.

6. PostUse Care:

- Clean the components after use to maintain their condition.
- Store the kit in its designated location.

Disposal Instructions

- Dispose of any damaged or worn components in accordance with local regulations.
- Do not dispose of reloading materials in regular household waste. Follow appropriate hazardous waste disposal guidelines.

Contact Information for Further Support

For any inquiries regarding safety or product usage, please refer to the manufacturer's customer support resources. Ensure you have your product details on hand for efficient assistance.

By following these safety instructions, you can ensure a safe and effective reloading experience with your ZERO MSeries Sleeve & Mandrel Kit. Thank you for choosing Area 419, and happy reloading!
