

ZERO DIE MANDREL KITS - ZERO 30 CALIBER MANDREL KIT

ZERO SIZING DIE MANDREL KITS A core part of the ZERO Sizing Die design is a precision ground, full-length mandrel. Designed to provide the greatest consistency in neck tension, these were also meant to be interchangeable, allowing the reloader to select the amount of neck tension that works best for them. Area 419's mandrels are ground 17-4PH Stainless Steel, and black nitrided for smooth and long-lasting operation. These kits include FOUR mandrels, so when combined with the mandrel that came with your ZERO M-Series or S-Series sizing die, give you .0005 neck-tension increments from .0005 to .0025. Kits also include one spare decap pin, just in case.

ZERO DIE MANDREL KITS Safety Instructions

Introduction

Thank you for choosing the ZERO Die Mandrel Kits. These kits are designed to provide precision and consistency in neck tension for your reloading needs. This safety instruction guide is intended to ensure safe use of the product in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the product.

General Safety Guidelines

- **Product Safety:** Ensure that you use the ZERO Die Mandrel Kits only for their intended purpose. Follow all instructions provided in this guide to minimize risks associated with reloading.
- **Enhanced Recalls:** Stay informed about any product recalls. In case of a recall, you will be provided with remedies at no cost.
- **Online Shopping:** When purchasing online, ensure that the seller meets all safety requirements as mandated by EU regulations.
- **Special Consumer Focus:** Extra caution should be taken if the product is used around vulnerable groups, such as children. Store the product out of reach.
- **EU Contact Point:** For any safety inquiries, please refer to the contact point provided by the retailer or manufacturer.
- **Rapid Alerts:** Keep updated on product safety through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including safety glasses and gloves, when handling reloading equipment.
- Ensure that the workspace is clean and free of distractions to avoid accidents.
- Inspect the mandrels and other components for damage before use. Do not use damaged parts.
- Follow the recommended neck tension settings. Incorrect settings may lead to unsafe reloading practices.
- Keep the product away from children and pets to prevent accidental injury.
- Do not modify the mandrels or any components of the kit, as this may compromise safety and performance.

Instructions for Installation and Usage

1. Preparation:

- Ensure that all components of the ZERO Die Mandrel Kits are present and in good condition.
- Gather necessary tools for installation, including a reloading press.

2. Installation:

- Remove the mandrel that came with your ZERO MSeries or SSeries sizing die.
- Select the desired mandrel from the kit based on the required neck tension.
- Insert the selected mandrel into the sizing die, ensuring it is securely fitted.

3. Usage:

- Follow the reloading instructions specific to your firearm and ammunition type.
- Adjust the neck tension as needed using the provided mandrels, which offer increments from .0005 to .0025.
- Monitor the reloading process for any unusual sounds or resistance.

4. PostUsage:

- After use, clean the mandrels and store them in a safe place, preferably in the original packaging.
- Check for any wear or damage after each use and replace any damaged components.

Disposal Instructions

- Dispose of any damaged or unusable components in accordance with local regulations.
- Do not dispose of the product in household waste. Instead, check for local recycling programs that accept metal or steel products.
- Ensure that all parts are out of reach of children and pets during disposal.

Contact Information for Further Support

For any questions or concerns regarding the ZERO Die Mandrel Kits, please reach out to the retailer or manufacturer where you purchased the product. They will provide you with the necessary support and information.

Thank you for your attention to these safety instructions. Enjoy your reloading experience with the ZERO Die Mandrel Kits!
