

ZERO DIE MANDREL KITS - AREA 419 ZERO 6.5MM CALIBER MANDREL KIT

[Reloading](#) > [Case Preparation](#) > [Neck Turning](#) > [Turning & Expander Mandrels](#)

ZERO SIZING DIE MANDREL KITS A core part of the ZERO Sizing Die design is a precision ground, full-length mandrel. Designed to provide the greatest consistency in neck tension, these were also meant to be interchangeable, allowing the reloader to select the amount of neck tension that works best for them. Area 419's mandrels are ground 17-4PH Stainless Steel, and black nitrided for smooth and long-lasting operation. These kits include FOUR mandrels, so when combined with the mandrel that came with your ZERO M-Series or S-Series sizing die, give you .0005 neck-tension increments from .0005 to .0025. Kits also include one spare decap pin, just in case.

Attributes

- Name: [AREA 419 ZERO 6.5MM CALIBER MANDREL KIT](#)
- Manufacturer: [AREA 419](#)
- Product no.: 430112759

ZERO Die Mandrel Kits Safety Instruction Guide

Introduction

Thank you for choosing the ZERO Die Mandrel Kits by Area 419. This guide is designed to provide you with essential safety information and usage instructions to ensure a safe and effective experience. Please read this guide carefully before using the product.

General Safety Guidelines

- **Product Safety:** This product is designed for safe use in accordance with EU regulations. Ensure you understand the instructions before use.
- **Enhanced Recalls:** Stay informed about any product recalls. Check the EU's Safety Gate platform for updates.
- **Online Shopping:** If purchased online, ensure the seller complies with safety requirements.
- **Special Consumer Focus:** Extra care should be taken if the product is used by or around vulnerable groups, including children.
- **EU Contact Point:** For any safety inquiries, refer to the designated EU contact point for this product.
- **Rapid Alerts:** Be aware of faster updates on unsafe products through the Safety Gate system.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when handling the mandrel kits.
- Ensure that the workspace is clean and free from obstructions to prevent accidents.
- Do not use the mandrel kits for purposes other than those specified in this guide.
- Keep the mandrels away from children and pets.
- Regularly inspect the mandrels for any signs of wear or damage before use.
- If you notice any irregularities in the mandrel operation, cease use immediately and consult the manufacturer.

Instructions for Installation and Usage

1. Preparation:

- Ensure your workspace is clean and welllit.
- Gather all necessary tools and materials before starting.

2. Installation:

- Remove the mandrel from its packaging.
- Inspect the mandrel for any visible damage.
- Insert the mandrel into the sizing die according to the manufacturer's instructions.
- Ensure the mandrel is securely fitted and locked in place.

3. Usage:

- Adjust the mandrel to achieve the desired neck tension, selecting from the available increments.
- Follow the specific reloading instructions for your firearm to ensure proper operation.
- After use, clean the mandrel to remove any debris or residue.

4. PostUse Care:

- Store the mandrel kits in a dry, secure location away from children.

- Regularly check the mandrels for signs of wear, and replace them if necessary.

Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the mandrel kits reach the end of their usable life, dispose of them responsibly. Check local guidelines for disposal of metal products.

Contact Information for Further Support

For any questions or concerns regarding the ZERO Die Mandrel Kits, please refer to the designated EU contact point for assistance.

By following this safety instruction guide, you can ensure a safe and effective experience with the ZERO Die Mandrel Kits. Thank you for your attention to safety.
