

ZERO DIE MANDREL KITS - ZERO 6MM CALIBER MANDREL KIT

ZERO SIZING DIE MANDREL KITS A core part of the ZERO Sizing Die design is a precision ground, full-length mandrel. Designed to provide the greatest consistency in neck tension, these were also meant to be interchangeable, allowing the reloader to select the amount of neck tension that works best for them. Area 419's mandrels are ground 17-4PH Stainless Steel, and black nitrided for smooth and long-lasting operation. These kits include FOUR mandrels, so when combined with the mandrel that came with your ZERO M-Series or S-Series sizing die, give you .0005 neck-tension increments from .0005 to .0025. Kits also include one spare decap pin, just in case.

Attributes

- Name: ZERO 6MM CALIBER MANDREL KIT
- Manufacturer: AREA 419
- Product no.: 430112760
- Mfr. No.: 419-MANDRELS-6MM
- Caliber: 6mm
- Delivery weight: 0.227kg
- Shipping height: 25mm
- Shipping width: 102mm
- Shipping length: 102mm
- UPC: 810080181885

ZERO Die Mandrel Kits Safety Instructions

Introduction

Thank you for choosing the ZERO Die Mandrel Kits. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this document carefully before installation and usage to prevent accidents and injuries.

General Safety Guidelines

- Always follow the manufacturer's instructions for use and maintenance.
- Ensure that the product is suitable for your specific reloading needs, particularly regarding caliber compatibility.
- Keep the product out of reach of children and pets to prevent accidents.
- Inspect the product for any damage or wear before use. Do not use if damaged.
- Use personal protective equipment (PPE), such as safety glasses and gloves, when handling reloading equipment.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform regularly.

Specific Safety Precautions for Use

- Handle all components with care to avoid injury.
- Ensure that the mandrels are properly secured before use to prevent them from coming loose during operation.
- Be aware of the potential for neck tension variations and adjust your settings accordingly.
- Avoid using excessive force when resizing cases to prevent equipment damage or personal injury.
- Store the mandrels in a safe, dry place to prevent corrosion and damage.
- Do not attempt to modify or alter the mandrels or other components of the kit.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools and materials for reloading.
- Ensure that you have a clean and organized workspace.

2. Installation of Mandrels

- Select the appropriate mandrel based on your desired neck tension.
- Carefully insert the mandrel into the sizing die, ensuring it is seated correctly.
- Secure the mandrel in place according to the manufacturer's instructions.

3. Using the ZERO Die Mandrel Kit

- Begin the reloading process by following standard reloading practices.
- Monitor the neck tension as you resize cases, making adjustments as necessary.
- After use, remove the mandrel and clean it according to the maintenance guidelines.

4. Maintenance

- Regularly inspect the mandrels for signs of wear or damage.
- Clean the mandrels with a soft cloth and appropriate cleaning solution to remove debris.
- Store the mandrels in their protective case when not in use.

Disposal Instructions

- Dispose of any damaged or worn components in accordance with local regulations.
- Recycle packaging materials where possible to minimize environmental impact.
- Do not dispose of the product in household waste if it contains hazardous materials.

Contact Information for Further Support

For any inquiries or concerns regarding the ZERO Die Mandrel Kits, please refer to the manufacturer's contact details provided on the product packaging or visit their official website.

Thank you for prioritizing safety while using the ZERO Die Mandrel Kits. Your adherence to these guidelines helps ensure a safe and enjoyable reloading experience.
