# Safety Instructions for the Diving Board for Tactical OnePiece Scope Mount

## Introduction

Thank you for choosing the Diving Board for Tactical OnePiece Scope Mount by AREA 419. This product is designed to enhance your shooting experience by providing a stable and secure mounting platform for various optical devices. To ensure your safety and the optimal performance of this product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Ensure that the Diving Board is used only for its intended purpose.
- Always inspect the product for any signs of damage before use.
- Keep the product out of reach of children and vulnerable individuals.
- Use the product in a safe environment, free from excessive moisture, dust, and other contaminants.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Do not exceed the recommended weight limits when using the Diving Board.
- Ensure that all mounting screws are securely tightened before use.
- Avoid using the Diving Board in extreme temperatures or conditions that may affect its integrity.
- Do not modify or alter the product in any way.
- Always use protective eyewear when engaging in shooting activities.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the scope is properly mounted on your firearm before attaching the Diving Board.
- Locate the patent pending dual taper mounting point on the top of the scope cap.
- Align the Diving Board with the mounting point and insert the captive mounting screws.
- Tighten the screws securely using the appropriate tool. Do not overtighten, as this may damage the product.
- Confirm that the Diving Board is firmly attached and does not move or wobble.

### 2. Usage:

- Before utilizing the Diving Board, ensure that your firearm is pointed in a safe direction and that the safety is engaged.
- Use the Diving Board to mount levels, dope cards, red dots, or weaponsmounted laser range finders as needed.
- Regularly check the stability of the mounted items and the Diving Board during use.
- After use, remove any mounted items and store the Diving Board in a safe place.

## Disposal Instructions

- Dispose of the Diving Board in accordance with local regulations.
- Do not dispose of the product in household waste.
- Consider recycling the product if possible, as it is made from aluminum.

## **Contact Information for Further Support**

For any additional questions or concerns regarding the Diving Board for Tactical OnePiece Scope Mount, please refer to the manufacturer's contact information provided on the packaging or product documentation.

By following these safety instructions, you can ensure a safe and enjoyable experience with your Diving Board for Tactical OnePiece Scope Mount. Thank you for your attention to safety and for choosing AREA 419.
