

HUNT SCOPE RINGS - HUNT 40MM DIAMETER MEDIUM (30MM) SCOPE RINGS

HUNT SCOPE RINGS Given the success of their MATCH and TACTICAL scope mounts, Area 419 knew what the HUNT rings needed to be. Light, rigid, and able to hold onto an optic in a dramatic recoiling environment. To do this was no small manufacturing task. This led us down a rabbit-hole, ultimately arriving on a process that gets you final-bore matched rings, with raw aluminum internals, for a grip on your optic that is more reliable and more true than anything else made. Like most rings, these begin as separate parts. Area 419 are making the bases and caps in batches. While many will make these parts, send them to anodize, and then just assemble, Area 419 produce around the extra steps. Once these parts return from anodize, they are fully assembled, placed back into specially produced rail fixtures, with the caps torqued to spec over specially made spacers (to give the rings space to torque down on the optic), and final-bored as sets in their world-class machining centers. Rings are then brought off the machine in sets, and packaged together so you know that your rings were made for one another, and you can rely on them for decades. Is it overkill? Probably. But Area 419 think it's the right way. So that's what Area 419 are going to do. NOTE: TO KEEP THE SIZE AND WEIGHT OF THESE RINGS TO A MINIMUM, THERE ARE NO ACCESSORY ATTACHMENT POINTS ON THESE RINGS. IF YOU WANT TO BE ABLE TO ADD ACCESSORIES TO YOUR RINGS, PLEASE CHECK OUT THEIR MATCH OR TACTICAL OFFERINGS. Specifications: Material: 7075 Aerospace Grade Billet Aluminum (with Stainless Steel Hardware) Coating: Type 3 Hardcoat Anodize (internal bore is raw aluminum) Weight: 4 oz/set (30mm Medium)

Attributes

- Name: HUNT 40MM DIAMETER MEDIUM (30MM) SCOPE RINGS
- Manufacturer: AREA 419
- Product no.: 430112793
- Mfr. No.: 419-HUNT-4030
- Finish: Black
- Height: 2.25"
- Material: Aluminum
- Scope Tube Diameter: 30mm
- Size: Medium
- Style: Picatinny Rings
- Delivery weight: 0.272kg
- Shipping height: 25mm
- Shipping width: 127mm
- Shipping length: 241mm
- UPC: 810080183049

HUNT SCOPE RINGS Safety Instructions Guide

Introduction

Thank you for choosing the HUNT SCOPE RINGS. These rings are designed to provide a secure and reliable mounting solution for your optics. To ensure your safety and the optimal performance of your product, please read this safety instruction guide carefully.

General Safety Guidelines

- Ensure that the HUNT SCOPE RINGS are used only for their intended purpose.
- Always inspect the rings for any signs of damage or wear before each use.
- Follow all installation and usage instructions to prevent accidents or injuries.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Handling:** Always handle the scope rings with care to avoid dropping or damaging them.
- **Mounting:** Ensure that the rings are properly mounted to the scope and the firearm. An improper fit can lead to malfunctions.
- **Weight Limit:** Do not exceed the weight limit of the scope rings. Ensure that the optic mounted does not exceed the specifications provided.
- **Environmental Conditions:** Avoid exposing the rings to extreme temperatures or corrosive environments that may degrade the material.
- **Inspection:** Regularly check the torque settings of the rings to ensure they remain secure during use.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including a torque wrench and any required spacers.
- Ensure that the mounting surface is clean and free of debris.

2. Installation:

- Align the HUNT SCOPE RINGS on the mounting rail of your firearm.
- Use the provided spacers to ensure proper clearance and fitment.
- Torque the caps to the specified settings using a torque wrench to ensure a secure fit.

3. Usage:

- After installation, carefully check the alignment of the optic.
- Make any necessary adjustments to ensure proper sight alignment and functionality.
- Test the setup in a safe environment before engaging in any field activities.

4. PostUse Care:

- After use, clean the rings with a soft cloth to remove any dirt or moisture.
- Store the scope rings in a dry place to prevent corrosion.

Disposal Instructions

- Dispose of the HUNT SCOPE RINGS responsibly in accordance with local regulations.
- Recycle materials whenever possible to minimize environmental impact.
- Do not dispose of the product in household waste.

Contact Information for Further Support

For any inquiries, concerns, or further assistance, please consult the manufacturer or your point of purchase for guidance. Ensure that you have the product details ready for a more efficient response.

Thank you for following these safety instructions. Your safety and satisfaction are our top priorities. Enjoy the reliability and performance of your HUNT SCOPE RINGS.
