# FULL MESH SHOOTING VEST SAFETY INSTRUCTION GUIDE

## Introduction

Thank you for choosing the BOB ALLEN Full Mesh Shooting Vest. This vest is designed to provide comfort and functionality while ensuring safety during your shooting activities. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

## General Safety Guidelines

- Ensure that the vest is suitable for your size and body type before use.
- Always inspect the vest for any signs of damage or wear before each use.
- Follow all local laws and regulations regarding shooting practices.
- Be aware of your surroundings and ensure that you are in a safe environment for shooting activities.
- Keep the vest away from fire, sharp objects, and chemicals that may cause damage.

## Specific Safety Precautions for Use

- **Lightweight and Breathable Mesh Construction:** While the mesh is designed for breathability, it does not provide protection against sharp objects. Avoid situations where the vest may come into contact with sharp items.
- **Integrated Insert/APad Compatible Pocket:** Ensure that any insert used is compatible and securely placed in the pocket to avoid shifting during use.
- **Choke Tube Pocket:** Always ensure that the choke tube is properly secured in the designated pocket to prevent accidental loss or injury.
- **Side Tabs for Waist Adjustment:** Adjust the side tabs to ensure a snug fit. A loose vest may hinder movement and safety.
- **Bellowed Front Cargo Pockets:** Use these pockets only for their intended purpose. Do not overload them as this may affect your balance and mobility.
- **Extra Two Shell Loops for Spares:** Use the shell loops to store only the recommended number of shells. Overloading can lead to accidental discharge or injury.

## Instructions for Installation and Usage

1. **Fit the Vest:**
  - Put the vest on and adjust the side tabs for a comfortable fit. Ensure that the vest does not restrict movement.
2. **Load the Pockets:**
  - Place items in the designated pockets only. Ensure that they are secure and not protruding.
3. **Check for Damage:**
  - Before each use, inspect the vest for any tears, frayed edges, or damaged components. Do not use if any damage is found.
4. **Wear Protective Gear:**
  - In addition to the vest, consider wearing other protective gear such as eye and ear protection.
5. **Store Properly:**
  - After use, store the vest in a cool, dry place away from direct sunlight to prevent degradation of materials.

## Disposal Instructions

- When the vest has reached the end of its useful life, dispose of it in accordance with local regulations.
- Do not dispose of the vest in regular household waste if it contains any hazardous materials.
- Consider recycling options where available.

## Contact Information for Further Support

For any questions or concerns about the BOB ALLEN Full Mesh Shooting Vest, please refer to your retailer or the manufacturer's website for assistance.

## **Conclusion**

Your safety is of utmost importance when using the BOB ALLEN Full Mesh Shooting Vest. By following these safety guidelines and instructions, you can help ensure a safe and enjoyable shooting experience. Always stay informed about safety practices and report any unsafe products to the appropriate authorities. Thank you for your attention to safety.
