

AMAG SG9 9MM LUGER HANDGUN MAGAZINE FOR SIG SAUER P365® - AMAG 17 9MM LUGER 17RD MAGAZINE FOR SIG SAUER P365 SS

MAGPUL® AMAG SG9 9MM LUGER HANDGUN MAGAZINE FOR SIG SAUER P365® Can't use polymer magazines? No problem. Magpul's AMAG series of magazines are built for guns only compatible with metal magazines. This AMAG 17 SG9 - SIG P365 is a 17-round 9mm handgun magazine specifically for P365 pistols featuring a stainless-steel body with polymer sub-components. Magpul AMAGs come with many of Magpul's standard proven features, including a high-visibility, controlled-tilt follower, stainless-steel spring, flared floorplate that's easily removable for cleaning and routine maintenance, paint-pen dot matrix for magazine marking, and capacity-indicator windows which begin at five (5) rounds, and continue along the spine of the magazine in one (1)-round increments. Included are grip extensions for the X/XL and Standard grip lengths, as well as a standard floor plate for the Macro®, so this 17-round AMAG can be used comfortably in any variant of P365 pistol. Other AMAGs for the P365 will be available this summer in 10-, 12-, and 15-round capacities. All AMAGs are made in the USA. FEATURES CORROSION-RESISTANT, STAINLESS-STEEL MAGAZINE BODY High-visibility, controlled-tilt follower Stainless-steel spring for longevity and durability CAPACITY INDICATORS IN ONE-ROUND INTERVALS STARTING AT FIVE ROUNDS FLARED, EASILY REMOVEABLE FLOORPLATE FOR MAINTENANCE Paint pen dot matrix panel on the bottom to allow for identification marking Standard floor plate configuration compatible with Macro grips SPECS Caliber: 9x19mm Parabellum Platform: SIG P365™ Capacity: 17 rounds Materials: Heat-treated, stainless-steel alloy body and spring with polymer floorplate and follower Compatibility: The AMAG 17 SG9 - SIG P365 is compatible with all full-size, compact, and sub-compact variants of the SIG P365 platform

AMAG SG9 9MM LUGER HANDGUN MAGAZINE

SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the AMAG SG9 9MM Luger Handgun Magazine for your SIG Sauer P365. This safety instruction guide is designed to ensure the safe use of your magazine and to inform you of important safety guidelines in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always handle the magazine with care and ensure it is unloaded when not in use.
- Store the magazine in a secure location, out of reach of children and unauthorized individuals.
- Regularly inspect the magazine for signs of wear or damage. Do not use a damaged magazine.
- Follow all local laws and regulations regarding the ownership and use of firearm magazines.
- Be aware of your surroundings when handling firearms and magazines to prevent accidents.

Specific Safety Precautions for Use

- Ensure the magazine is compatible with your specific model of SIG Sauer P365 before use.
- Do not attempt to modify the magazine in any way, as this may compromise safety and functionality.
- Use only 9mm Luger ammunition as specified for this magazine.
- When loading the magazine, do so in a safe environment, away from people and animals.
- Avoid overloading the magazine beyond its specified capacity of 17 rounds.
- Be cautious of the magazine's flared floorplate during cleaning and maintenance to prevent injury.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is completely unloaded.
- Align the magazine with the magazine well of the SIG Sauer P365.
- Firmly push the magazine into the magazine well until it clicks into place.

2. Loading the Magazine:

- Hold the magazine with the baseplate facing down.
- Insert the rounds into the magazine, starting from the top.
- Ensure that each round is seated properly and that the magazine is not overloaded.

3. Using the Magazine:

- Insert the loaded magazine into the SIG Sauer P365.
- Pull the slide back to chamber a round.
- Always point the firearm in a safe direction when loading or unloading.

4. Unloading the Magazine:

- Remove the magazine from the firearm.
- Press the magazine release button to detach the magazine.
- Remove any remaining rounds carefully to avoid accidental discharge.

5. Cleaning and Maintenance:

- Regularly clean the magazine to ensure proper function.
- Use a soft cloth and appropriate cleaning solution to remove dirt and debris.
- Ensure that the follower and spring are free of obstructions.

Disposal Instructions

- Dispose of the magazine in accordance with local regulations.
- If the magazine is damaged or no longer usable, do not attempt to repair it.
- Consider contacting a local waste management facility for safe disposal options.

Contact Information for Further Support

For any safety inquiries or concerns, please contact the manufacturer's support team or refer to your local regulations regarding firearms and accessories.

By following these safety instructions, you can help ensure a safe and responsible experience with your AMAG SG9 9MM Luger Handgun Magazine. Always prioritize safety and adhere to local laws and regulations.
