

BREACH GLOVE 2.0 LARGE BLACK 1 PAIR

MAGPUL BREACH GLOVE 2.0 Expanding the Magpul glove line by adding a true tactical glove with increased protection and fire-and-flash resistance, the Breach Glove 2.0 features D30 knuckle protectors and fire-resistant Nomex® material to offer maximum protection to your hands. The D30 pre-curved knuckle protector – which passes EN13594 Level 2 standards for motorcycle safety and EN388 standards used to rate industrial-strength gloves – combined with goatskin leather, offers a flexible, soft, pre-curved fit to ensure the gloves protect the hands without discomfort like other gloves due to the use of bulky, rough, overly rigid materials. Further increasing the gloves' protective traits is the Magpul Gun Gusset overlay, which provides additional reinforcement on the thumb to help manage wear. The gloves aren't just made from top-notch materials to offer advanced protection; they also include modern features such as a touch-screen compatible thumb, ergonomic palm overlays for improved durability, rolled fingers for better fit and dexterity, and a webbing loop for easy stowage. FEATURES: DEXTERITY AND PROTECTION: D30 knuckle protectors and Nomex material provide flash- and fire-resistance EN13594 Level 2 and EN388 rated for motorcycle and industrial work, all without the rigidity and bulk of other gloves DURABLE, FUNCTIONAL, COMFORTABLE: Magpul Gun Gusset overlay, goatskin leather, rolled fingers, and a pre-curved fit for extreme durability and comfort. Also features a Touch-screen compatible thumb, ergonomic palm overlays, and a webbing loop for easy storage

BREACH GLOVE 2.0 Safety Instruction Guide

Introduction

Thank you for choosing the MAGPUL BREACH GLOVE 2.0. This guide provides essential safety instructions and guidelines to ensure safe and effective use of the gloves. Please read this document carefully before using the product to understand the safety measures and precautions.

General Safety Guidelines

- Ensure the gloves are suitable for the intended use and environment.
- Regularly inspect the gloves for any signs of wear or damage before each use.
- Do not use the gloves if they are damaged or compromised in any way.
- Keep the gloves away from fire and extreme heat sources to maintain their protective properties.
- Always follow the manufacturer's instructions for care and maintenance of the gloves.

Specific Safety Precautions for Use

- **Dexterity and Protection:**

- The D30 knuckle protectors and Nomex material provide flash and fireresistance.
- Comply with EN13594 Level 2 and EN388 ratings for motorcycle and industrial work.

- **Durable, Functional, Comfortable:**

- Ensure the gloves fit properly for optimal protection and dexterity.
- If you experience discomfort or restricted movement, consider trying a different size or style.

- **Use in Hazardous Environments:**

- Avoid using the gloves in environments where chemical exposure is likely unless the gloves are specifically rated for such use.
- Be cautious when using the gloves around sharp objects to prevent punctures.

- **Storage:**

- Store the gloves in a cool, dry place away from direct sunlight and moisture.
- Avoid folding or compressing the gloves in a way that may distort their shape.

Instructions for Installation and Usage

- **Wearing the Gloves:**

- Ensure your hands are clean and dry before putting on the gloves.
- Slide your hands into the gloves, ensuring that the fingers fit comfortably into each finger compartment.
- Adjust the gloves as necessary to ensure a snug fit without restricting circulation.

- **Using TouchScreen Devices:**

- The gloves feature a touchscreen compatible thumb. Ensure the thumb is positioned correctly when using touchscreen devices.

- **Maintenance:**

- Clean the gloves according to the manufacturer's instructions to maintain their protective qualities.
- Inspect the gloves regularly for any signs of wear, especially the knuckle protectors and seams.

Disposal Instructions

- Dispose of the gloves in accordance with local regulations regarding textile waste.
- If the gloves are damaged beyond repair, consider recycling the material if possible.
- Do not dispose of the gloves in regular household waste if they contain hazardous materials.

Contact Information for Further Support

For any inquiries regarding the safety, maintenance, or usage of the BREACH GLOVE 2.0, please refer to the manufacturer's contact information provided with the product packaging.

Important Note: Report any unsafe products or accidents to the relevant authorities as per EU guidelines. Check for recall updates on the EU's Safety Gate platform to stay informed about product safety.

Thank you for prioritizing safety and for your commitment to using the MAGPUL BREACH GLOVE 2.0 responsibly.
