

BREACH GLOVE 2.0 XL BLACK 1 PAIR

MAGPUL BREACH GLOVE 2.0 Expanding the Magpul glove line by adding a true tactical glove with increased protection and fire-and-flash resistance, the Breach Glove 2.0 features D30 knuckle protectors and fire-resistant Nomex® material to offer maximum protection to your hands. The D30 pre-curved knuckle protector – which passes EN13594 Level 2 standards for motorcycle safety and EN388 standards used to rate industrial-strength gloves – combined with goatskin leather, offers a flexible, soft, pre-curved fit to ensure the gloves protect the hands without discomfort like other gloves due to the use of bulky, rough, overly rigid materials. Further increasing the gloves' protective traits is the Magpul Gun Gusset overlay, which provides additional reinforcement on the thumb to help manage wear. The gloves aren't just made from top-notch materials to offer advanced protection; they also include modern features such as a touch-screen compatible thumb, ergonomic palm overlays for improved durability, rolled fingers for better fit and dexterity, and a webbing loop for easy stowage. FEATURES: DEXTERITY AND PROTECTION: D30 knuckle protectors and Nomex material provide flash- and fire-resistance EN13594 Level 2 and EN388 rated for motorcycle and industrial work, all without the rigidity and bulk of other gloves DURABLE, FUNCTIONAL, COMFORTABLE: Magpul Gun Gusset overlay, goatskin leather, rolled fingers, and a pre-curved fit for extreme durability and comfort. Also features a Touch-screen compatible thumb, ergonomic palm overlays, and a webbing loop for easy storage

BREACH GLOVE 2.0 Safety Instruction Guide

Introduction

Thank you for choosing the MAGPUL BREACH GLOVE 2.0. This guide provides essential safety instructions to ensure the safe and effective use of your tactical gloves. Please read this document carefully to understand how to use the gloves properly and how to take care of them.

General Safety Guidelines

- Always inspect the gloves for any damage or wear before each use.
- Ensure the gloves are the correct size for your hands to avoid discomfort or reduced dexterity.
- Keep the gloves away from extreme heat sources to maintain their fireresistant properties.
- Avoid using the gloves in situations that exceed their intended use, such as heavy industrial work beyond their rating.
- Store the gloves in a cool, dry place when not in use to prolong their lifespan.
- Be aware of your surroundings while wearing the gloves, especially when handling tools or equipment.

Specific Safety Precautions for Use

- **D30 Knuckle Protectors:** These protectors are designed to absorb impact. Always ensure they are intact and properly positioned.
- **FireResistant Material:** While the gloves are made with fireresistant Nomex material, they are not fireproof. Avoid direct contact with flames or extreme heat.
- **TouchScreen Compatibility:** The thumb is designed to be touchscreen compatible. Use caution when interacting with devices to avoid damaging the gloves.
- **Ergonomic Design:** The gloves are designed for comfort and dexterity. If you experience discomfort, remove the gloves immediately and check for proper fit.
- **Webbing Loop:** Use the webbing loop for secure storage. Do not use it for lifting or carrying heavy objects.

Instructions for Installation and Usage

1. Choosing the Right Size:

- Measure your hand size to ensure a proper fit. The BREACH GLOVE 2.0 is available in multiple sizes, including XL.

2. Wearing the Gloves:

- Ensure your hands are clean and dry before putting on the gloves.
- Slide your hands into the gloves, ensuring that the fingers fit snugly without being too tight.

3. Adjusting the Fit:

- If the gloves have any adjustable straps, make sure they are secured for a comfortable fit.
- Check that the knuckle protectors align properly over your knuckles.

4. Using the Gloves:

- When using tools or handling equipment, ensure that your grip is firm but not overly tight.
- If using touchscreen devices, use the thumb to interact with the screen gently.

5. After Use:

- Remove the gloves carefully to avoid tearing or damaging them.
- Inspect the gloves for any signs of wear or damage after each use.

Disposal Instructions

- Dispose of the gloves in accordance with local regulations for textile waste.
- If the gloves are damaged beyond repair, consider recycling options if available.
- Do not dispose of the gloves in regular household waste if they contain hazardous materials.
