

BREACH GLOVE 2.0 LARGE COYOTE 1 PAIR

MAGPUL BREACH GLOVE 2.0 Expanding the Magpul glove line by adding a true tactical glove with increased protection and fire-and-flash resistance, the Breach Glove 2.0 features D30 knuckle protectors and fire-resistant Nomex® material to offer maximum protection to your hands. The D30 pre-curved knuckle protector – which passes EN13594 Level 2 standards for motorcycle safety and EN388 standards used to rate industrial-strength gloves – combined with goatskin leather, offers a flexible, soft, pre-curved fit to ensure the gloves protect the hands without discomfort like other gloves due to the use of bulky, rough, overly rigid materials. Further increasing the gloves' protective traits is the Magpul Gun Gusset overlay, which provides additional reinforcement on the thumb to help manage wear. The gloves aren't just made from top-notch materials to offer advanced protection; they also include modern features such as a touch-screen compatible thumb, ergonomic palm overlays for improved durability, rolled fingers for better fit and dexterity, and a webbing loop for easy stowage. FEATURES: DEXTERITY AND PROTECTION: D30 knuckle protectors and Nomex material provide flash- and fire-resistance EN13594 Level 2 and EN388 rated for motorcycle and industrial work, all without the rigidity and bulk of other gloves DURABLE, FUNCTIONAL, COMFORTABLE: Magpul Gun Gusset overlay, goatskin leather, rolled fingers, and a pre-curved fit for extreme durability and comfort. Also features a Touch-screen compatible thumb, ergonomic palm overlays, and a webbing loop for easy storage

Safety Instruction Guide for MAGPUL BREACH GLOVE 2.0

Introduction

Thank you for choosing the MAGPUL BREACH GLOVE 2.0. This tactical glove is designed to provide enhanced protection, comfort, and functionality for various activities. It is essential to understand the safety guidelines and instructions to ensure the best use of this product.

General Safety Guidelines

- Always inspect the gloves before each use for any signs of damage or wear.
- Ensure that the gloves fit properly to maintain dexterity and prevent accidents.
- Use the gloves only for their intended purpose. They are designed for tactical and industrial use.
- Keep the gloves away from extreme heat sources and open flames to maintain their fireresistant properties.
- Store the gloves in a cool, dry place away from direct sunlight to prolong their lifespan.
- If you experience any discomfort or allergic reactions while using the gloves, discontinue use immediately and consult a medical professional.

Specific Safety Precautions for Use

- D30 knuckle protectors provide excellent protection but can be rigid. Use caution when handling sharp objects.
- The gloves are made from goatskin leather, which is durable but can wear out if exposed to excessive moisture. Avoid prolonged exposure to water.
- The touchscreen compatible thumb allows for device usage, but ensure the gloves are clean to avoid screen damage.
- The ergonomic palm overlays enhance grip, but ensure that surfaces are stable to prevent slipping.
- The gloves are not designed for hightemperature environments. Avoid using them in situations where extreme heat is present.

Instructions for Installation and Usage

1. Wearing the Gloves

- Ensure your hands are clean and dry before putting on the gloves.
- Slide your hands into the gloves, ensuring that the fingers fit comfortably in their respective slots.
- Adjust the fit as necessary to ensure a snug yet comfortable fit without restricting movement.

2. Using the Gloves

- When using the gloves, ensure that you can move your fingers freely to maintain dexterity.
- Use the touchscreen compatible thumb for operating devices while wearing the gloves.
- Be mindful of the gloves' limitations; they are designed for protection but are not indestructible.

3. After Use

- Remove the gloves carefully to avoid damaging the material.
- Clean the gloves according to the care instructions provided on the label.
- Store the gloves in a protective pouch or case when not in use to prevent damage.

Disposal Instructions

- When the gloves reach the end of their usable life, dispose of them responsibly.
- Check local regulations for proper disposal methods for textile products.
- Do not dispose of the gloves in regular household waste if they are heavily contaminated with hazardous materials.

Contact Information for Further Support
