

BREACH GLOVE 2.0 - MAGPUL BREACH GLOVE 2.0 2XL COYOTE 1 PAIR

[Shooting Accessories](#) > [Apparel](#) > [Accessories](#) > [Gloves](#)

MAGPUL BREACH GLOVE 2.0 Expanding the Magpul glove line by adding a true tactical glove with increased protection and fire-and-flash resistance, the Breach Glove 2.0 features D30 knuckle protectors and fire-resistant Nomex® material to offer maximum protection to your hands. The D30 pre-curved knuckle protector – which passes EN13594 Level 2 standards for motorcycle safety and EN388 standards used to rate industrial-strength gloves – combined with goatskin leather, offers a flexible, soft, pre-curved fit to ensure the gloves protect the hands without discomfort like other gloves due to the use of bulky, rough, overly rigid materials. Further increasing the gloves' protective traits is the Magpul Gun Gusset overlay, which provides additional reinforcement on the thumb to help manage wear. The gloves aren't just made from top-notch materials to offer advanced protection; they also include modern features such as a touch-screen compatible thumb, ergonomic palm overlays for improved durability, rolled fingers for better fit and dexterity, and a webbing loop for easy stowage. FEATURES: DEXTERITY AND PROTECTION: D30 knuckle protectors and Nomex material provide flash- and fire-resistance EN13594 Level 2 and EN388 rated for motorcycle and industrial work, all without the rigidity and bulk of other gloves DURABLE, FUNCTIONAL, COMFORTABLE: Magpul Gun Gusset overlay, goatskin leather, rolled fingers, and a pre-curved fit for extreme durability and comfort. Also features a Touch-screen compatible thumb, ergonomic palm overlays, and a webbing loop for easy storage

Safety Instruction Guide for MAGPUL BREACH GLOVE 2.0

Introduction

Thank you for choosing the MAGPUL BREACH GLOVE 2.0. This guide provides essential safety instructions to ensure safe use and maintenance of your gloves. Please read this guide carefully to understand how to use the product safely and effectively.

General Safety Guidelines

- Ensure the gloves fit properly to provide optimal protection and comfort.
- Inspect the gloves before each use for any signs of wear or damage.
- Avoid using the gloves in environments that exceed their intended purpose, such as extreme heat or hazardous materials.
- Keep the gloves away from children and vulnerable individuals who may misuse them.
- Always follow local regulations and guidelines when using protective gear.

Specific Safety Precautions for Use

- **D30 Knuckle Protectors:** The gloves feature D30 knuckle protectors for enhanced safety. Ensure that the knuckle protectors are intact and properly positioned.
- **Nomex Material:** The fireresistant Nomex material adds protection against flames and heat. Do not expose the gloves to direct flames or extreme heat sources.
- **TouchScreen Compatibility:** While the gloves have a touchscreen compatible thumb, avoid using them in wet conditions as moisture can affect functionality.
- **Wear and Tear:** Regularly check for signs of wear, especially on the fingertips and knuckles. Replace the gloves if any damage is found.

Instructions for Installation and Usage

1. Wearing the Gloves:

- Ensure that your hands are clean and dry before putting on the gloves.
- Slide your hands into the gloves, ensuring a snug but comfortable fit.
- Adjust the gloves to ensure that the knuckles and fingertips align properly without excess material.

2. Using the Gloves:

- Use the gloves for their intended purpose, primarily for tactical and industrial applications.
- When using tools or equipment, ensure that the gloves provide adequate grip and dexterity.
- Avoid using the gloves in situations that may expose them to chemicals or hazardous materials unless specified as safe.

3. Maintenance:

- Clean the gloves regularly according to the manufacturer's instructions.
- Store the gloves in a cool, dry place away from direct sunlight when not in use.
- Do not machine wash or tumble dry the gloves; instead, wipe them clean with a damp cloth.

Disposal Instructions

- When the gloves reach the end of their life cycle or are damaged beyond repair, dispose of them responsibly.
- Check local regulations for proper disposal methods for protective gear.
- If possible, recycle materials according to local recycling guidelines.

Contact Information for Further Support

For any safety inquiries, product support, or to report unsafe products, please refer to your local authorities or the EU's Safety Gate platform for further assistance.

Conclusion

By following these safety instructions, you can ensure the effective use of your MAGPUL BREACH GLOVE 2.0 while minimizing risks. Always stay informed about safety practices and product recalls to maintain a safe environment. Thank you for prioritizing safety with your purchase.
