CellVault Battery Storage Safety Instruction Guide

Introduction

Thank you for choosing the CellVault Battery Storage. This guide provides essential safety instructions to ensure the safe use and maintenance of your product. It complies with the EU General Product Safety Regulation (GPSR) to help you use the CellVault safely and effectively.

General Safety Guidelines

- Always use the CellVault Battery Storage as intended.
- Keep the CellVault out of reach of children and vulnerable individuals.
- Regularly inspect the CellVault for any signs of damage or wear.
- Do not expose the CellVault to extreme temperatures or prolonged moisture.
- If you notice any defects, discontinue use immediately and contact customer support.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- **Battery Storage:**
 - Store only CR123, AAA, or AA batteries as specified.
 - Ensure batteries are inserted correctly to avoid leaks or damage.
- **Survival Supplies:**
 - When storing small survival supplies, ensure they are securely sealed to prevent spillage.
 - Do not store hazardous materials or substances.
- **Waterproofing:**
 - The CellVault is not designed for prolonged submersion. Avoid immersing it in water.
 - Check the lip and Oring for debris or wear before use to maintain waterproof integrity.
- **Food Safety:**
 - If storing consumables, wash the CellVault thoroughly and consider using foodsafe plastic bags.
 - Clean with a test tube or bottle brush to ensure hygiene.

Instructions for Installation and Usage

1. Mounting the CellVault:

- Use the integrated webbing clip to attach the CellVault to PALS, MOLLE, webbing, or straps.
- Ensure it is securely fastened before use.

2. Loading Batteries:

- Open the CellVault by unclipping it.
- Insert up to three CR123 batteries, four AAA batteries, or two AA batteries.
- Ensure that the batteries are placed securely in the designated slots.

3. Storing Survival Gear:

- Place small survival items such as matches, hooks, and line, or a light stick inside the CellVault.
- Ensure all items are stored securely to prevent movement during transport.

4. Accessing Contents:

- To access the contents, simply squeeze the sides of the tube to release batteries if needed.
- You can detach the CellVault for better control when accessing its contents.

5. Cleaning the CellVault:

- Clean the exterior with a damp cloth.
- For thorough cleaning, use a test tube or bottle brush.

6. Disposal Instructions:

- Dispose of the CellVault responsibly in accordance with local regulations.
- Recycle where possible, especially the plastic components.

Contact Information for Further Support

For any inquiries regarding safety, usage, or support, please refer to the contact information provided with your product packaging or check the manufacturer's website.

Thank you for ensuring the safe use of your CellVault Battery Storage. Enjoy the convenience and security it provides for your batteries and essential gear.
