

CELLVAULT XL BATTERY STORAGE - THYRM LLC CELLVAULT XL BATTERY STORAGE FOR AAA,CR123 & 18650 BLACK

[Emergency & Survival Gear](#) > [Emergency Electronics](#) > [Batteries](#)

CELLVAULT XL BATTERY STORAGE FOR AAA, CR123 AND 18650 Meet the CellVault XL, big brother of the original CellVault. It has twice the storage capacity of the original CellVault, plus can safely store larger gear and batteries such as 18650s. A CellVault XL can hold four AA, six CR123, eight AAA, or two 18650 batteries. The CellVault XL is the large version of the CellVault. Like the original CellVault, it protects batteries and other critical gear while keeping it accessible and organized. Use the integrated webbing clip to access the CellVault's contents without removing it, or you can quickly detach it for more control. FEATURES: Twice the capacity of the original CellVault, with a removable inner divider Easily attaches to M.O.L.L.E., webbing, and straps Lanyard loops at both ends, for more attachment options Slim vertical profile that utilizes 1 M.O.L.L.E. webbing column, freeing up space for other gear including first aid kits, ammo, and tools Internal divider can keep CR123 batteries inside secure even when the CellVault XL is inverted. Just squeeze the front and back of the tube to release CR123s. Waterproof, dustproof, durable exterior Designed and manufactured in the USA Solid colors: black, Olive Drab, Rescue Orange, Flat Dark Earth, or Urban Grey Two clear models: clear with black hinge, clear with red hinge A CellVault XL can store: Two 18650 batteries (with CellVault XL divider removed) Four AA batteries (leaving a little extra room) Six CR123 batteries Eight AAA batteries Small survival gear such as lighters, hooks and line, a light stick, a compass, and lip balm First aid gear including hemostatic clotting agents, tweezers, and bandages Consumables* such as medication, instant coffee packets, electrolyte powder, candy Valuables such as emergency money, a flash drive, and keys Cigar/Cigarettes/chewing tobacco Sewing kit Use a different color CellVault to contain different critical gear. The Clear-Red CellVault XL is perfect for first aid supplies. *Before storing consumables (medication, snacks) in the CellVault, wash it thoroughly and consider using a food-safe plastic bag. Clean the CellVault with a test tube or bottle brush. The CellVault is made of food-safe thermoformed plastic. The CellVault is not designed to be waterproof under prolonged submersion. Therefore, it is not designed for diving. Users should check the lip and O-ring of the CellVault for debris or wear that could prevent it from being waterproof over time.

CellVault XL Battery Storage Safety Instructions

Introduction

Thank you for choosing the CellVault XL Battery Storage by THYRM LLC. This product is designed to safely store batteries and other essential gear. Please read and follow these safety instructions carefully to ensure safe use and maximum protection for your items.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the CellVault XL by following all instructions and guidelines. This product is intended for nonfood storage only.
- **Enhanced Recalls:** Stay informed about any recalls that may affect your product. Regularly check for updates on the EU's Safety Gate platform.
- **Online Shopping:** If purchased online, ensure that the retailer complies with EU safety regulations.
- **Special Consumer Focus:** Keep this product out of reach of children. It is not a toy and should not be used as such.
- **EU Contact Point:** For any safety inquiries, please consult the relevant EU-based contact point.
- **Rapid Alerts:** Be aware of updates regarding any unsafe products through the Safety Gate system.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Do not expose the CellVault XL to extreme temperatures or moisture.
 - Ensure that the storage compartments are closed securely to prevent accidental opening.
 - Inspect the product regularly for signs of wear or damage, especially the lip and O-ring.
- **Avoiding Hazards:**
 - Do not store consumables without proper cleaning; wash the CellVault thoroughly before storing any items like medication or snacks.
 - Keep the CellVault away from children and pets to prevent accidental ingestion of small parts.
 - Do not use the CellVault XL for diving or prolonged submersion in water.

Instructions for Installation and Usage

- **Installation:**
 1. Choose a suitable location for your CellVault XL, ensuring it is dry and away from direct sunlight.
 2. Use the integrated webbing clip to attach the CellVault XL to your gear. Ensure it is secure before use.
- **Usage:**
 - To store batteries:
 1. Open the CellVault XL by unclipping the lid.
 2. Place batteries in the designated compartments, ensuring they are oriented correctly.
 3. Close the lid securely.
 - To access stored items:

1. Use the webbing clip to detach the CellVault XL from your gear if needed.
2. Squeeze the front and back of the tube to release CR123 batteries if stored.

- For cleaning:

1. Use a test tube or bottle brush to clean the interior.
2. Ensure the CellVault is dry before storing any items.

Disposal Instructions

- **Disposal of the CellVault XL:**

- The CellVault XL is made of foodsafe thermoformed plastic. When disposing of the product, follow local regulations for plastic waste.
- If the product is damaged or no longer usable, recycle it where facilities exist.

- **Disposal of Batteries:**

- Always dispose of batteries according to local regulations. Do not throw batteries in regular trash.
- Many retailers offer battery recycling programs.

Contact Information for Further Support

For any questions or concerns regarding the CellVault XL Battery Storage, please refer to the retailer or manufacturer's website for support. Regularly check for updates and safety information.

Thank you for your attention to these safety instructions. By following these guidelines, you can ensure safe and effective use of your CellVault XL Battery Storage.
