

CELLVAULT XL BATTERY STORAGE - THYRM LLC CELLVAULT XL BATTERY STORAGE FOR AAA,CR123&18650 O.D GREEN

[Emergency & Survival Gear](#) > [Emergency Electronics](#) > [Batteries](#)

CELLVAULT XL BATTERY STORAGE FOR AAA, CR123 AND 18650 Meet the CellVault XL, big brother of the original CellVault. It has twice the storage capacity of the original CellVault, plus can safely store larger gear and batteries such as 18650s. A CellVault XL can hold four AA, six CR123, eight AAA, or two 18650 batteries. The CellVault XL is the large version of the CellVault. Like the original CellVault, it protects batteries and other critical gear while keeping it accessible and organized. Use the integrated webbing clip to access the CellVault's contents without removing it, or you can quickly detach it for more control. FEATURES: Twice the capacity of the original CellVault, with a removable inner divider Easily attaches to M.O.L.L.E., webbing, and straps Lanyard loops at both ends, for more attachment options Slim vertical profile that utilizes 1 M.O.L.L.E. webbing column, freeing up space for other gear including first aid kits, ammo, and tools Internal divider can keep CR123 batteries inside secure even when the CellVault XL is inverted. Just squeeze the front and back of the tube to release CR123s. Waterproof, dustproof, durable exterior Designed and manufactured in the USA Solid colors: black, Olive Drab, Rescue Orange, Flat Dark Earth, or Urban Grey Two clear models: clear with black hinge, clear with red hinge A CellVault XL can store: Two 18650 batteries (with CellVault XL divider removed) Four AA batteries (leaving a little extra room) Six CR123 batteries Eight AAA batteries Small survival gear such as lighters, hooks and line, a light stick, a compass, and lip balm First aid gear including hemostatic clotting agents, tweezers, and bandages Consumables* such as medication, instant coffee packets, electrolyte powder, candy Valuables such as emergency money, a flash drive, and keys Cigar/Cigarettes/chewing tobacco Sewing kit Use a different color CellVault to contain different critical gear. The Clear-Red CellVault XL is perfect for first aid supplies. *Before storing consumables (medication, snacks) in the CellVault, wash it thoroughly and consider using a food-safe plastic bag. Clean the CellVault with a test tube or bottle brush. The CellVault is made of food-safe thermoformed plastic. The CellVault is not designed to be waterproof under prolonged submersion. Therefore, it is not designed for diving. Users should check the lip and O-ring of the CellVault for debris or wear that could prevent it from being waterproof over time.

CELLVAULT XL BATTERY STORAGE SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the CELLVAULT XL Battery Storage by THYRM LLC. This product is designed to securely store AAA, CR123, and 18650 batteries, along with other essential gear. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that the CELLVAULT XL is used only for its intended purpose: storing batteries and small survival gear.
- Regularly inspect the CELLVAULT XL for any signs of wear, damage, or debris that may affect its waterproof capabilities.
- Keep the product out of reach of children and vulnerable individuals to prevent accidental ingestion of small parts.
- Always store batteries in the correct orientation as indicated in the product instructions.
- Do not expose the CELLVAULT XL to extreme temperatures or direct sunlight for extended periods.

Specific Safety Precautions for Use

- **Battery Storage:**
 - Store batteries according to their type and size.
 - Ensure that the internal divider is used when storing CR123 batteries to prevent them from moving around.
 - Do not mix different battery types in the same compartment.
- **Waterproofing:**
 - While the CELLVAULT XL is designed to be waterproof, it is not suitable for prolonged submersion. Avoid exposing it to water for extended periods.
 - Check the lip and Oring for any debris before each use to maintain waterproof integrity.
- **Handling:**
 - When accessing the contents, use the integrated webbing clip to prevent dropping the CELLVAULT XL.
 - If the product is inverted, ensure that you are holding it securely to avoid accidental release of contents.
- **Consumables:**
 - Before storing consumables (such as medication or snacks), wash the CELLVAULT XL thoroughly and consider using a foodsafe plastic bag.
 - Clean the CELLVAULT XL using a test tube or bottle brush to ensure all residues are removed.

Instructions for Installation and Usage

- **Attaching the CELLVAULT XL:**
 - Use the attached lanyard loops to secure the CELLVAULT XL to M.O.L.L.E. webbing, straps, or other

gear.

- Ensure that all attachments are secure before use.

- **Storing Batteries:**

- Open the CELLVAULT XL by releasing the clip or detaching it from your gear.
- Insert batteries according to their designated slots:
- Up to four AA batteries
- Up to six CR123 batteries (with internal divider)
- Up to eight AAA batteries
- Up to two 18650 batteries (with internal divider removed)
- Close the CELLVAULT XL securely after use.

- **Accessing Contents:**

- To access the contents, use the webbing clip to pull the CELLVAULT XL out without fully detaching it, if preferred.
- For complete detachment, unclip from the attachment point and access the contents freely.

Disposal Instructions

- Dispose of the CELLVAULT XL in accordance with local regulations regarding plastic waste.
- Batteries should be disposed of according to local battery recycling programs to minimize environmental impact.
- Do not dispose of the CELLVAULT XL in regular household waste.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the CELLVAULT XL, please refer to the manufacturer's contact information provided with your product.

By following these safety instructions, you can ensure a safe and effective experience with the CELLVAULT XL Battery Storage. Thank you for your attention to these guidelines. Stay safe!
