

CELLVAULT XL BATTERY STORAGE FOR AAA,CR123&18650 R. ORANGE

CELLVAULT XL BATTERY STORAGE FOR AAA, CR123 AND 18650 Meet the CellVault XL, big brother of the original CellVault. It has twice the storage capacity of the original CellVault, plus can safely store larger gear and batteries such as 18650s. A CellVault XL can hold four AA, six CR123, eight AAA, or two 18650 batteries. The CellVault XL is the large version of the CellVault. Like the original CellVault, it protects batteries and other critical gear while keeping it accessible and organized. Use the integrated webbing clip to access the CellVault's contents without removing it, or you can quickly detach it for more control. **FEATURES:** Twice the capacity of the original CellVault, with a removable inner divider Easily attaches to M.O.L.L.E., webbing, and straps Lanyard loops at both ends, for more attachment options Slim vertical profile that utilizes 1 M.O.L.L.E. webbing column, freeing up space for other gear including first aid kits, ammo, and tools Internal divider can keep CR123 batteries inside secure even when the CellVault XL is inverted. Just squeeze the front and back of the tube to release CR123s. Waterproof, dustproof, durable exterior Designed and manufactured in the USA Solid colors: black, Olive Drab, Rescue Orange, Flat Dark Earth, or Urban Grey Two clear models: clear with black hinge, clear with red hinge A CellVault XL can store: Two 18650 batteries (with CellVault XL divider removed) Four AA batteries (leaving a little extra room) Six CR123 batteries Eight AAA batteries Small survival gear such as lighters, hooks and line, a light stick, a compass, and lip balm First aid gear including hemostatic clotting agents, tweezers, and bandages Consumables* such as medication, instant coffee packets, electrolyte powder, candy Valuables such as emergency money, a flash drive, and keys Cigar/Cigarettes/chewing tobacco Sewing kit Use a different color CellVault to contain different critical gear. The Clear-Red CellVault XL is perfect for first aid supplies. *Before storing consumables (medication, snacks) in the CellVault, wash it thoroughly and consider using a food-safe plastic bag. Clean the CellVault with a test tube or bottle brush. The CellVault is made of food-safe thermoformed plastic. The CellVault is not designed to be waterproof under prolonged submersion. Therefore, it is not designed for diving. Users should check the lip and O-ring of the CellVault for debris or wear that could prevent it from being waterproof over time.

Attributes

- Name: CELLVAULT XL BATTERY STORAGE FOR AAA,CR123&18650 R. ORANGE
- Manufacturer: THYRM LLC
- Product no.: 430113951
- Mfr. No.: CVXL003
- Delivery weight: 0.057kg
- Shipping height: 46mm
- Shipping width: 114mm
- Shipping length: 203mm
- UPC: 754697743329

CELLVAULT XL BATTERY STORAGE SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the CELLVAULT XL Battery Storage. This guide provides important safety instructions to ensure the safe and effective use of your product. It is essential to follow these guidelines to prevent accidents and ensure the longevity of the CELLVAULT XL.

General Safety Guidelines

- **Product Safety:** The CELLVAULT XL is designed to safely store batteries and critical gear. Ensure you use it only for its intended purpose.
- **Enhanced Recalls:** In the event of a recall, follow the instructions provided by the manufacturer for safe return or remedy.
- **Online Shopping:** When purchasing online, ensure you buy from reputable sellers that comply with safety standards.
- **Special Consumer Focus:** Keep the CELLVAULT XL out of reach of children. It is not a toy and should not be used as one.
- **EU Contact Point:** For any safety inquiries, please refer to the contact details provided by the retailer.
- **Rapid Alerts:** Stay informed about product safety updates via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Avoid Overloading:** Do not exceed the specified capacity of the CELLVAULT XL. Refer to the storage guidelines for battery types.
- **Check for Damage:** Before each use, inspect the CELLVAULT XL for any signs of damage, such as cracks or wear, especially on the lip and Oring.
- **Keep Dry:** While the CELLVAULT XL is waterproof, it is not designed for prolonged submersion. Store it in a dry place.
- **Temperature Limitations:** Avoid exposing the CELLVAULT XL to extreme temperatures, which may affect its integrity and performance.
- **Proper Closure:** Ensure the lid is securely closed to maintain the waterproof feature and protect contents from dust.
- **Avoid Chemical Exposure:** Do not store the CELLVAULT XL near chemicals or substances that could damage the plastic.

Instructions for Installation and Usage

- **Attaching the CELLVAULT XL:**
 - Use the integrated webbing clip to attach the CELLVAULT XL to M.O.L.L.E. systems, webbing, or straps.
 - Ensure it is securely fastened before use.
- **Storing Batteries:**
 - For optimal storage, follow these guidelines:
 - Two 18650 batteries (with inner divider removed)
 - Four AA batteries (leaving a little extra room)
 - Six CR123 batteries
 - Eight AAA batteries
 - Make sure to separate different battery types to avoid crosscontact.
- **Using the Internal Divider:**
 - Utilize the internal divider to keep batteries secure and organized. This helps prevent movement during transport.

- **Accessing Contents:**
 - To access stored items, squeeze the front and back of the tube to release CR123 batteries.
 - For other items, detach the CELLVAULT XL from its attachment for better control.
- **Cleaning the CELLVAULT XL:**
 - Clean the CELLVAULT XL regularly using a test tube or bottle brush.
 - If storing consumables, wash the CELLVAULT XL thoroughly and consider using a foodsafe plastic bag.

Disposal Instructions

- **Recycling:** The CELLVAULT XL is made from foodsafe thermoformed plastic. Please recycle it according to local regulations.
- **Battery Disposal:** Dispose of batteries according to your local regulations. Do not dispose of batteries in regular trash. Use designated battery recycling locations.

Contact Information for Further Support

For any questions or concerns regarding the CELLVAULT XL, please refer to the contact information provided by the retailer from whom you purchased the product. Always keep your receipt and product information for future reference.

By following these safety instructions, you will ensure a safe and effective use of your CELLVAULT XL Battery Storage. Thank you for your attention to these important guidelines.
