

CELLVAULT XL BATTERY STORAGE - THYRM LLC CELLVAULT XL BATTERY STORAGE FOR AAA,CR123&18650 R. ORANGE

[Emergency & Survival Gear](#) > [Emergency Electronics](#) > [Batteries](#)

CELLVAULT XL BATTERY STORAGE FOR AAA, CR123 AND 18650 Meet the CellVault XL, big brother of the original CellVault. It has twice the storage capacity of the original CellVault, plus can safely store larger gear and batteries such as 18650s. A CellVault XL can hold four AA, six CR123, eight AAA, or two 18650 batteries. The CellVault XL is the large version of the CellVault. Like the original CellVault, it protects batteries and other critical gear while keeping it accessible and organized. Use the integrated webbing clip to access the CellVault's contents without removing it, or you can quickly detach it for more control. FEATURES: Twice the capacity of the original CellVault, with a removable inner divider Easily attaches to M.O.L.L.E., webbing, and straps Lanyard loops at both ends, for more attachment options Slim vertical profile that utilizes 1 M.O.L.L.E. webbing column, freeing up space for other gear including first aid kits, ammo, and tools Internal divider can keep CR123 batteries inside secure even when the CellVault XL is inverted. Just squeeze the front and back of the tube to release CR123s. Waterproof, dustproof, durable exterior Designed and manufactured in the USA Solid colors: black, Olive Drab, Rescue Orange, Flat Dark Earth, or Urban Grey Two clear models: clear with black hinge, clear with red hinge A CellVault XL can store: Two 18650 batteries (with CellVault XL divider removed) Four AA batteries (leaving a little extra room) Six CR123 batteries Eight AAA batteries Small survival gear such as lighters, hooks and line, a light stick, a compass, and lip balm First aid gear including hemostatic clotting agents, tweezers, and bandages Consumables* such as medication, instant coffee packets, electrolyte powder, candy Valuables such as emergency money, a flash drive, and keys Cigar/Cigarettes/chewing tobacco Sewing kit Use a different color CellVault to contain different critical gear. The Clear-Red CellVault XL is perfect for first aid supplies. *Before storing consumables (medication, snacks) in the CellVault, wash it thoroughly and consider using a food-safe plastic bag. Clean the CellVault with a test tube or bottle brush. The CellVault is made of food-safe thermoformed plastic. The CellVault is not designed to be waterproof under prolonged submersion. Therefore, it is not designed for diving. Users should check the lip and O-ring of the CellVault for debris or wear that could prevent it from being waterproof over time.

CellVault XL Battery Storage Safety Instruction Guide

Introduction

Thank you for choosing the CellVault XL Battery Storage by THYRM LLC. This guide provides essential safety instructions and guidelines to ensure the safe use and maintenance of your CellVault XL. Please read this document carefully to understand the product's features, safety precautions, and proper usage.

General Safety Guidelines

- Ensure that the CellVault XL is used only for its intended purpose: storing batteries and small survival gear.
- Keep the CellVault XL out of reach of children and vulnerable individuals to prevent accidental use or ingestion.
- Regularly inspect the CellVault XL for any signs of damage, wear, or debris that could compromise its waterproof capabilities.
- Avoid prolonged submersion in water, as the CellVault XL is not designed for diving and may not remain waterproof under such conditions.
- Always store consumables, such as medication and snacks, in foodsafe plastic bags within the CellVault XL to prevent contamination.
- Familiarize yourself with the product features and instructions for optimal use and safety.

Specific Safety Precautions for Use

- **Hazard Identification:**

- The CellVault XL is designed to store batteries and small items. Improper use or overloading may lead to damage or malfunction.
- Batteries can pose risks if not stored properly. Always follow the manufacturer's instructions for battery storage.

- **Avoiding Hazards:**

- Do not exceed the recommended storage limits:
 - Two 18650 batteries (with divider removed)
 - Four AA batteries
 - Six CR123 batteries
 - Eight AAA batteries
- Ensure the internal divider is correctly positioned to keep batteries secure during use.
- Do not apply excessive force when squeezing the tube to release CR123 batteries.

- **AgeSpecific Warnings:**

- This product is not a toy and should not be used by children without adult supervision.
- Take extra care when using the CellVault XL around children, ensuring they do not have access to the batteries or small items stored inside.

Instructions for Installation and Usage

- **Installation:**

- Attach the CellVault XL to M.O.L.L.E., webbing, or straps using the integrated webbing clip. Ensure it is securely fastened.
- Use the lanyard loops at both ends for additional attachment options as needed.

- **Usage:**

- Open the CellVault XL by releasing the clip and accessing the contents.
- When storing batteries, ensure they are placed in the appropriate compartments, following the recommended limits.
- For easy access, squeeze the front and back of the tube to release CR123 batteries.
- After use, securely close the CellVault XL to protect its contents.

Disposal Instructions

- Dispose of the CellVault XL in accordance with local regulations for plastic waste.
- Batteries should be disposed of separately, following guidelines for battery recycling in your area.
- If the CellVault XL is damaged or no longer functional, do not attempt to repair it. Instead, recycle it responsibly.

Contact Information for Further Support

For any safety inquiries or further support regarding the CellVault XL, please reach out to the designated EU contact point provided on the product packaging or the manufacturer's website.

Conclusion

By following these safety instructions, you can ensure the safe and effective use of your CellVault XL Battery Storage. Regular maintenance and proper usage will help extend the life of your product and keep your batteries and gear organized and secure. Thank you for choosing THYRM LLC.
