

CELLVAULT XL BATTERY STORAGE - THYRM LLC CELLVAULT XL BATTERY STORAGE FOR AAA,CR123&18650 URBAN GRAY

[Emergency & Survival Gear](#) > [Emergency Electronics](#) > [Batteries](#)

CELLVAULT XL BATTERY STORAGE FOR AAA, CR123 AND 18650 Meet the CellVault XL, big brother of the original CellVault. It has twice the storage capacity of the original CellVault, plus can safely store larger gear and batteries such as 18650s. A CellVault XL can hold four AA, six CR123, eight AAA, or two 18650 batteries. The CellVault XL is the large version of the CellVault. Like the original CellVault, it protects batteries and other critical gear while keeping it accessible and organized. Use the integrated webbing clip to access the CellVault's contents without removing it, or you can quickly detach it for more control. FEATURES: Twice the capacity of the original CellVault, with a removable inner divider Easily attaches to M.O.L.L.E., webbing, and straps Lanyard loops at both ends, for more attachment options Slim vertical profile that utilizes 1 M.O.L.L.E. webbing column, freeing up space for other gear including first aid kits, ammo, and tools Internal divider can keep CR123 batteries inside secure even when the CellVault XL is inverted. Just squeeze the front and back of the tube to release CR123s. Waterproof, dustproof, durable exterior Designed and manufactured in the USA Solid colors: black, Olive Drab, Rescue Orange, Flat Dark Earth, or Urban Grey Two clear models: clear with black hinge, clear with red hinge A CellVault XL can store: Two 18650 batteries (with CellVault XL divider removed) Four AA batteries (leaving a little extra room) Six CR123 batteries Eight AAA batteries Small survival gear such as lighters, hooks and line, a light stick, a compass, and lip balm First aid gear including hemostatic clotting agents, tweezers, and bandages Consumables* such as medication, instant coffee packets, electrolyte powder, candy Valuables such as emergency money, a flash drive, and keys Cigar/Cigarettes/chewing tobacco Sewing kit Use a different color CellVault to contain different critical gear. The Clear-Red CellVault XL is perfect for first aid supplies. *Before storing consumables (medication, snacks) in the CellVault, wash it thoroughly and consider using a food-safe plastic bag. Clean the CellVault with a test tube or bottle brush. The CellVault is made of food-safe thermoformed plastic. The CellVault is not designed to be waterproof under prolonged submersion. Therefore, it is not designed for diving. Users should check the lip and O-ring of the CellVault for debris or wear that could prevent it from being waterproof over time.

CELLVAULT XL BATTERY STORAGE SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the CellVault XL Battery Storage by THYRM LLC. This product is designed to securely store batteries and other essential gear while keeping them organized and easily accessible. To ensure your safety and the proper use of this product, please read this safety instruction guide carefully.

General Safety Guidelines

- Always use the CellVault XL as intended, following the guidelines in this manual.
- Inspect the CellVault XL regularly for any signs of wear, damage, or debris, especially around the lip and O-ring, to ensure waterproof capabilities.
- Store the CellVault XL in a cool, dry place away from direct sunlight and extreme temperatures.
- Keep the CellVault XL out of reach of children and pets to prevent accidental use or ingestion of stored items.
- Do not overload the CellVault XL beyond its specified capacity to avoid damage.
- If you notice any leaks or damage to the product, discontinue use immediately and contact the manufacturer for guidance.

Specific Safety Precautions for Use

- **Battery Safety:**
 - Always insert batteries according to the correct polarity (+/-).
 - Do not mix old and new batteries or different types of batteries in the same storage compartment.
 - Avoid exposing batteries to extreme temperatures or moisture.
- **Consumables Storage:**
 - Before storing consumables such as medication or snacks, wash the CellVault XL thoroughly and consider using a foodsafe plastic bag.
- **Sewing Kit and Sharp Objects:**
 - If storing sharp objects or tools, ensure they are securely packed to prevent injury.
- **Emergency Items:**
 - Ensure that emergency items such as first aid supplies are regularly checked and replaced as needed.

Instructions for Installation and Usage

1. **Attaching the CellVault XL:**
 - Use the integrated webbing clip to attach the CellVault XL to M.O.L.L.E. webbing, straps, or other gear.
 - Ensure that the attachment is secure before use.
2. **Storing Batteries:**
 - Open the CellVault XL by unclipping the lid.
 - Place batteries in their respective compartments based on size:
 - Up to four AA batteries
 - Up to six CR123 batteries
 - Up to eight AAA batteries
 - Up to two 18650 batteries (with the inner divider removed)
 - Close the lid securely to ensure proper storage.
3. **Accessing Contents:**
 - To access stored items, simply unclip the lid without detaching the CellVault XL from its attachment.

- For more control, detach the CellVault XL by releasing the webbing clip.

4. Cleaning:

- Clean the exterior of the CellVault XL with a damp cloth.
- For thorough cleaning, use a test tube or bottle brush to clean the interior.
- Allow the CellVault XL to dry completely before storage.

Disposal Instructions

- Dispose of the CellVault XL in accordance with local regulations regarding plastic waste.
- If the product is damaged or no longer usable, please recycle it where facilities exist.
- Do not dispose of batteries or consumables in regular household waste. Follow local guidelines for battery disposal.

Contact Information for Further Support

For any inquiries regarding safety, usage, or issues with the CellVault XL, please refer to the manufacturer's contact information provided at the point of purchase or on the packaging.

By following these safety instructions, you can ensure the safe and effective use of your CellVault XL Battery Storage. Thank you for your attention to these important guidelines.
