

CELLVAULT XL BATTERY STORAGE FOR AAA,CR123 & 18650 CLEAR/BLK

CELLVAULT XL BATTERY STORAGE FOR AAA, CR123 AND 18650 Meet the CellVault XL, big brother of the original CellVault. It has twice the storage capacity of the original CellVault, plus can safely store larger gear and batteries such as 18650s. A CellVault XL can hold four AA, six CR123, eight AAA, or two 18650 batteries. The CellVault XL is the large version of the CellVault. Like the original CellVault, it protects batteries and other critical gear while keeping it accessible and organized. Use the integrated webbing clip to access the CellVault's contents without removing it, or you can quickly detach it for more control. **FEATURES:** Twice the capacity of the original CellVault, with a removable inner divider Easily attaches to M.O.L.L.E., webbing, and straps Lanyard loops at both ends, for more attachment options Slim vertical profile that utilizes 1 M.O.L.L.E. webbing column, freeing up space for other gear including first aid kits, ammo, and tools Internal divider can keep CR123 batteries inside secure even when the CellVault XL is inverted. Just squeeze the front and back of the tube to release CR123s. Waterproof, dustproof, durable exterior Designed and manufactured in the USA Solid colors: black, Olive Drab, Rescue Orange, Flat Dark Earth, or Urban Grey Two clear models: clear with black hinge, clear with red hinge A CellVault XL can store: Two 18650 batteries (with CellVault XL divider removed) Four AA batteries (leaving a little extra room) Six CR123 batteries Eight AAA batteries Small survival gear such as lighters, hooks and line, a light stick, a compass, and lip balm First aid gear including hemostatic clotting agents, tweezers, and bandages Consumables* such as medication, instant coffee packets, electrolyte powder, candy Valuables such as emergency money, a flash drive, and keys Cigar/Cigarettes/chewing tobacco Sewing kit Use a different color CellVault to contain different critical gear. The Clear-Red CellVault XL is perfect for first aid supplies. *Before storing consumables (medication, snacks) in the CellVault, wash it thoroughly and consider using a food-safe plastic bag. Clean the CellVault with a test tube or bottle brush. The CellVault is made of food-safe thermoformed plastic. The CellVault is not designed to be waterproof under prolonged submersion. Therefore, it is not designed for diving. Users should check the lip and O-ring of the CellVault for debris or wear that could prevent it from being waterproof over time.

Attributes

- Name: CELLVAULT XL BATTERY STORAGE FOR AAA,CR123 & 18650 CLEAR/BLK
- Manufacturer: THYRM LLC
- Product no.: 430113954
- Mfr. No.: CVXL006
- Delivery weight: 0.057kg
- Shipping height: 46mm
- Shipping width: 114mm
- Shipping length: 203mm
- UPC: 754697743343

CELLVAULT XL BATTERY STORAGE SAFETY INSTRUCTION GUIDE

Introduction

Thank you for purchasing the CellVault XL Battery Storage. This guide provides important safety information and instructions to ensure the safe and effective use of your product. Please read this guide carefully before using the CellVault XL.

General Safety Guidelines

- Ensure that the CellVault XL is used only for its intended purpose, which is to store batteries and small survival gear.
- Always check the condition of the CellVault XL before use. Inspect for any damage, wear, or debris that could affect its performance.
- Keep the CellVault XL out of reach of children and pets to prevent accidents.
- Do not submerge the CellVault XL in water for prolonged periods, as it is not designed for diving.
- Use only compatible batteries (AAA, CR123, 18650) as specified in the product description.
- Avoid exposing the CellVault XL to extreme temperatures or direct sunlight for extended periods.

Specific Safety Precautions for Use

- When storing batteries, ensure that they are inserted correctly according to the specified orientation.
- Do not mix different types of batteries (e.g., alkaline and lithium) within the CellVault XL.
- If you notice any leakage or corrosion from the batteries, remove them immediately and dispose of them according to local regulations.
- For consumables such as medication or snacks, wash the CellVault XL thoroughly before use and consider using a foodsafe plastic bag for storage.
- Regularly check the lip and O-ring of the CellVault XL for wear and debris to maintain its waterproof capabilities.

Instructions for Installation and Usage

1. Attaching the CellVault XL:

- Use the integrated webbing clip to attach the CellVault XL to M.O.L.L.E., webbing, or straps.
- Ensure that the attachment is secure before use.

2. Storing Batteries:

- Open the CellVault XL by squeezing the front and back of the tube to access the storage compartment.
- Insert batteries according to the following guidelines:
 - Two 18650 batteries (with divider removed)
 - Four AA batteries
 - Six CR123 batteries
 - Eight AAA batteries
- Close the CellVault XL securely after storing batteries.

3. Storing Other Gear:

- Place small survival gear, such as lighters, hooks and line, or a compass, in the designated space inside the CellVault XL.

- Ensure that all items are secured and do not obstruct the closure of the CellVault XL.

4. Detaching the CellVault XL:

- If you need to detach the CellVault XL for more control, gently release the webbing clip and remove it from the attachment point.

Disposal Instructions

- Dispose of the CellVault XL responsibly at a local recycling facility that accepts plastic products.
- Batteries should be disposed of according to local regulations. Do not throw batteries in regular trash.
- If the CellVault XL is damaged beyond repair, please follow local guidelines for electronic waste disposal.

Contact Information for Further Support

For any safety inquiries or concerns regarding the CellVault XL, please refer to the manufacturer's customer support resources.

Conclusion

By following these safety instructions, you can ensure the safe and effective use of your CellVault XL Battery Storage. Always prioritize safety and proper handling to maximize the benefits of your product. Thank you for choosing CellVault XL!
