

CELLVAULT XL BATTERY STORAGE - THYRM LLC CELLVAULT XL BATTERY STORAGE FOR AAA,CR123 & 18650 CLEAR/BLK

[Emergency & Survival Gear](#) > [Emergency Electronics](#) > [Batteries](#)

CELLVAULT XL BATTERY STORAGE FOR AAA, CR123 AND 18650 Meet the CellVault XL, big brother of the original CellVault. It has twice the storage capacity of the original CellVault, plus can safely store larger gear and batteries such as 18650s. A CellVault XL can hold four AA, six CR123, eight AAA, or two 18650 batteries. The CellVault XL is the large version of the CellVault. Like the original CellVault, it protects batteries and other critical gear while keeping it accessible and organized. Use the integrated webbing clip to access the CellVault's contents without removing it, or you can quickly detach it for more control. FEATURES: Twice the capacity of the original CellVault, with a removable inner divider Easily attaches to M.O.L.L.E., webbing, and straps Lanyard loops at both ends, for more attachment options Slim vertical profile that utilizes 1 M.O.L.L.E. webbing column, freeing up space for other gear including first aid kits, ammo, and tools Internal divider can keep CR123 batteries inside secure even when the CellVault XL is inverted. Just squeeze the front and back of the tube to release CR123s. Waterproof, dustproof, durable exterior Designed and manufactured in the USA Solid colors: black, Olive Drab, Rescue Orange, Flat Dark Earth, or Urban Grey Two clear models: clear with black hinge, clear with red hinge A CellVault XL can store: Two 18650 batteries (with CellVault XL divider removed) Four AA batteries (leaving a little extra room) Six CR123 batteries Eight AAA batteries Small survival gear such as lighters, hooks and line, a light stick, a compass, and lip balm First aid gear including hemostatic clotting agents, tweezers, and bandages Consumables* such as medication, instant coffee packets, electrolyte powder, candy Valuables such as emergency money, a flash drive, and keys Cigar/Cigarettes/chewing tobacco Sewing kit Use a different color CellVault to contain different critical gear. The Clear-Red CellVault XL is perfect for first aid supplies. *Before storing consumables (medication, snacks) in the CellVault, wash it thoroughly and consider using a food-safe plastic bag. Clean the CellVault with a test tube or bottle brush. The CellVault is made of food-safe thermoformed plastic. The CellVault is not designed to be waterproof under prolonged submersion. Therefore, it is not designed for diving. Users should check the lip and O-ring of the CellVault for debris or wear that could prevent it from being waterproof over time.

Attributes

- Name: [THYRM LLC CELLVAULT XL BATTERY STORAGE FOR AAA,CR123 & 18650 CLEAR/BLK](#)
- Manufacturer: [THYRM LLC](#)
- Product no.: 430113954
- Mfr. No.: CVXL006
- Delivery weight: 0.057kg
- Shipping height: 46mm
- Shipping width: 114mm

CELLVAULT XL BATTERY STORAGE SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the CellVault XL Battery Storage by THYRM LLC. This guide provides important safety information and instructions to ensure the safe use of your CellVault XL. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure the CellVault XL is used only for its intended purpose of storing batteries and small gear.
- Keep the CellVault XL out of reach of children to prevent accidental ingestion of batteries or small items.
- Regularly inspect the CellVault XL for any signs of wear or damage, particularly the lip and Oring, to maintain its waterproof integrity.
- Do not submerge the CellVault XL in water for prolonged periods as it is not designed for diving.
- If you notice any debris or wear on the Oring, discontinue use and replace the product to avoid leaks.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- When storing consumables such as medication or snacks, ensure the CellVault XL is thoroughly cleaned and consider using foodsafe plastic bags.
- Avoid storing items that may cause chemical reactions with the plastic material of the CellVault XL.
- Use the integrated webbing clip to secure the CellVault XL when not in use to prevent accidental opening.
- Do not overload the CellVault XL beyond its capacity to avoid damage or malfunction.
- Ensure batteries are inserted correctly, following the manufacturer's guidelines to prevent leakage or damage.

Instructions for Installation and Usage

1. Attaching the CellVault XL:

- Use the integrated webbing clip to attach the CellVault XL to M.O.L.L.E., webbing, or straps. Ensure it is securely fastened.

2. Storing Batteries:

- Open the CellVault XL by unlatching the closure.
- Insert batteries into the designated slots, ensuring they are oriented correctly.
- For CR123 batteries, use the internal divider to keep them secure.
- Close the CellVault XL and ensure the latch is securely fastened.

3. Accessing Contents:

- To access the contents without detaching the CellVault XL, squeeze the front and back of the tube to release the batteries.
- If you need to detach the CellVault XL for more control, simply unclip it from the webbing.

4. Cleaning and Maintenance:

- Clean the CellVault XL with a test tube or bottle brush to maintain hygiene.
- Avoid using harsh chemicals or abrasive materials that may damage the surface.

Disposal Instructions

- Dispose of the CellVault XL according to local regulations for plastic waste.
- Batteries should be disposed of separately in accordance with battery recycling guidelines.
- Ensure that any consumables stored in the CellVault XL are disposed of properly to prevent contamination.

Contact Information for Further Support

For any inquiries or concerns regarding product safety or usage, please refer to the contact information provided by the manufacturer, THYRM LLC.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
