

CELLVAULT XL BATTERY STORAGE FOR AAA,CR123 & 18650 RED CAP

CELLVAULT XL BATTERY STORAGE FOR AAA, CR123 AND 18650 Meet the CellVault XL, big brother of the original CellVault. It has twice the storage capacity of the original CellVault, plus can safely store larger gear and batteries such as 18650s. A CellVault XL can hold four AA, six CR123, eight AAA, or two 18650 batteries. The CellVault XL is the large version of the CellVault. Like the original CellVault, it protects batteries and other critical gear while keeping it accessible and organized. Use the integrated webbing clip to access the CellVault's contents without removing it, or you can quickly detach it for more control. **FEATURES:** Twice the capacity of the original CellVault, with a removable inner divider Easily attaches to M.O.L.L.E., webbing, and straps Lanyard loops at both ends, for more attachment options Slim vertical profile that utilizes 1 M.O.L.L.E. webbing column, freeing up space for other gear including first aid kits, ammo, and tools Internal divider can keep CR123 batteries inside secure even when the CellVault XL is inverted. Just squeeze the front and back of the tube to release CR123s. Waterproof, dustproof, durable exterior Designed and manufactured in the USA Solid colors: black, Olive Drab, Rescue Orange, Flat Dark Earth, or Urban Grey Two clear models: clear with black hinge, clear with red hinge A CellVault XL can store: Two 18650 batteries (with CellVault XL divider removed) Four AA batteries (leaving a little extra room) Six CR123 batteries Eight AAA batteries Small survival gear such as lighters, hooks and line, a light stick, a compass, and lip balm First aid gear including hemostatic clotting agents, tweezers, and bandages Consumables* such as medication, instant coffee packets, electrolyte powder, candy Valuables such as emergency money, a flash drive, and keys Cigar/Cigarettes/chewing tobacco Sewing kit Use a different color CellVault to contain different critical gear. The Clear-Red CellVault XL is perfect for first aid supplies. *Before storing consumables (medication, snacks) in the CellVault, wash it thoroughly and consider using a food-safe plastic bag. Clean the CellVault with a test tube or bottle brush. The CellVault is made of food-safe thermoformed plastic. The CellVault is not designed to be waterproof under prolonged submersion. Therefore, it is not designed for diving. Users should check the lip and O-ring of the CellVault for debris or wear that could prevent it from being waterproof over time.

Attributes

- Name: CELLVAULT XL BATTERY STORAGE FOR AAA,CR123 & 18650 RED CAP
- Manufacturer: THYRM LLC
- Product no.: 430113955
- Mfr. No.: CVXL009
- Delivery weight: 0.057kg
- Shipping height: 46mm
- Shipping width: 114mm
- Shipping length: 203mm
- UPC: 766234778817

CellVault XL Battery Storage Safety Instruction Guide

Introduction

Thank you for choosing the CellVault XL Battery Storage. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this document carefully before using the CellVault XL.

General Safety Guidelines

- Always keep the CellVault XL out of reach of children and pets to prevent accidental ingestion or injury.
- Inspect the CellVault XL regularly for any signs of damage or wear, particularly the lip and Oring, to ensure it remains waterproof.
- Avoid prolonged submersion in water; the CellVault XL is not designed for diving.
- Use the CellVault XL only for its intended purpose, which is to store batteries and small survival gear.
- Ensure that the batteries stored are compatible and in good condition to prevent leaks or damage.
- If you notice any unusual odor, leakage, or damage to the batteries, remove them immediately and dispose of them according to local regulations.

Specific Safety Precautions for Use

- When removing or inserting batteries, do so carefully to avoid damaging the CellVault XL or the batteries themselves.
- Do not store batteries together with consumables such as medication or food items unless they are properly sealed in a foodsafe plastic bag.
- Ensure the CellVault XL is securely closed before transporting it to prevent contents from spilling.
- Do not expose the CellVault XL to extreme temperatures, as this may affect the integrity of the materials.
- If using the CellVault XL in outdoor conditions, check for debris that may interfere with the waterproof seal.

Instructions for Installation and Usage

1. Attaching the CellVault XL:

- Use the integrated webbing clip to attach the CellVault XL to M.O.L.L.E., webbing, or straps.
- Ensure it is securely fastened to prevent accidental detachment.

2. Storing Batteries:

- Open the CellVault XL by squeezing the front and back of the tube.
- Insert batteries according to the specified capacity:
 - Two 18650 batteries (with divider removed)
 - Four AA batteries
 - Six CR123 batteries
 - Eight AAA batteries
- Ensure batteries are inserted with the correct polarity.

3. Storing Additional Gear:

- Use the internal space to store small survival gear such as lighters, hooks, a light stick, a compass, and lip balm.
- For first aid supplies, ensure they are clean and organized within the CellVault XL.

4. Cleaning and Maintenance:

- Clean the CellVault XL with a test tube or bottle brush to remove any debris.
- Wash thoroughly before storing consumables. Consider using a foodsafe plastic bag for added safety.

5. Disposing of Batteries and Gear:

- Follow local regulations for the disposal of batteries and other hazardous materials.
- Do not dispose of the CellVault XL in regular household waste. Check for recycling options in your area.

Disposal Instructions

- Dispose of the CellVault XL responsibly by checking local recycling programs.
- Do not incinerate or compost the CellVault XL.
- Ensure that any batteries stored within are disposed of according to local hazardous waste guidelines.

Contact Information for Further Support

For any questions regarding the safety and use of the CellVault XL, please refer to the manufacturer's contact details provided with your product packaging. It is important to ensure you have access to support for any safety inquiries or product concerns.

By following these safety instructions, you can ensure the safe and effective use of your CellVault XL Battery Storage. Stay safe and enjoy the convenience of organized battery storage!
