

CELLVAULT XL BATTERY STORAGE - THYRM LLC CELLVAULT XL BATTERY STORAGE FOR AAA,CR123 & 18650 RED CAP

[Emergency & Survival Gear](#) > [Emergency Electronics](#) > [Batteries](#)

CELLVAULT XL BATTERY STORAGE FOR AAA, CR123 AND 18650 Meet the CellVault XL, big brother of the original CellVault. It has twice the storage capacity of the original CellVault, plus can safely store larger gear and batteries such as 18650s. A CellVault XL can hold four AA, six CR123, eight AAA, or two 18650 batteries. The CellVault XL is the large version of the CellVault. Like the original CellVault, it protects batteries and other critical gear while keeping it accessible and organized. Use the integrated webbing clip to access the CellVault's contents without removing it, or you can quickly detach it for more control. FEATURES: Twice the capacity of the original CellVault, with a removable inner divider Easily attaches to M.O.L.L.E., webbing, and straps Lanyard loops at both ends, for more attachment options Slim vertical profile that utilizes 1 M.O.L.L.E. webbing column, freeing up space for other gear including first aid kits, ammo, and tools Internal divider can keep CR123 batteries inside secure even when the CellVault XL is inverted. Just squeeze the front and back of the tube to release CR123s. Waterproof, dustproof, durable exterior Designed and manufactured in the USA Solid colors: black, Olive Drab, Rescue Orange, Flat Dark Earth, or Urban Grey Two clear models: clear with black hinge, clear with red hinge A CellVault XL can store: Two 18650 batteries (with CellVault XL divider removed) Four AA batteries (leaving a little extra room) Six CR123 batteries Eight AAA batteries Small survival gear such as lighters, hooks and line, a light stick, a compass, and lip balm First aid gear including hemostatic clotting agents, tweezers, and bandages Consumables* such as medication, instant coffee packets, electrolyte powder, candy Valuables such as emergency money, a flash drive, and keys Cigar/Cigarettes/chewing tobacco Sewing kit Use a different color CellVault to contain different critical gear. The Clear-Red CellVault XL is perfect for first aid supplies. *Before storing consumables (medication, snacks) in the CellVault, wash it thoroughly and consider using a food-safe plastic bag. Clean the CellVault with a test tube or bottle brush. The CellVault is made of food-safe thermoformed plastic. The CellVault is not designed to be waterproof under prolonged submersion. Therefore, it is not designed for diving. Users should check the lip and O-ring of the CellVault for debris or wear that could prevent it from being waterproof over time.

CELLVAULT XL BATTERY STORAGE SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the CELLVAULT XL Battery Storage by THYRM LLC. This guide provides essential safety instructions to ensure the safe use and maintenance of your CELLVAULT XL. Please read this manual carefully before using the product to understand how to protect yourself and your belongings.

General Safety Guidelines

- **Product Safety:** The CELLVAULT XL is designed to safely store batteries and other small gear. Always ensure the product is used according to the guidelines provided.
- **Enhanced Recalls:** In the event of a product safety recall, you will be notified through standardized recall notices. Please follow the instructions provided to ensure your safety.
- **Online Shopping Protection:** When purchasing online, ensure you are buying from reputable sellers who comply with safety regulations.
- **Special Consumer Focus:** Extra care should be taken when using this product around children. Keep the CELLVAULT XL out of reach of young children to prevent accidental access to batteries or small items.
- **EU Contact Point:** For any safety inquiries, please refer to the contact information provided by the retailer.
- **Rapid Alerts:** Stay informed about product safety updates through the EU Safety Gate platform.

Specific Safety Precautions for Use

- **Hazard Awareness:**
 - Batteries can be hazardous if damaged or improperly stored. Always inspect batteries for signs of wear or damage before storing them in the CELLVAULT XL.
 - Do not mix different types of batteries (e.g., alkaline, lithium) in the same compartment.
- **Safe Storage:**
 - Ensure the CELLVAULT XL is securely closed to prevent batteries from falling out.
 - Do not overload the CELLVAULT XL beyond its specified capacity.
- **Avoid Prolonged Submersion:**
 - The CELLVAULT XL is not designed to be waterproof under prolonged submersion. Avoid exposing it to water for extended periods.
- **Check for Debris:**
 - Regularly inspect the lip and Oring of the CELLVAULT XL for any debris or wear that could affect its waterproof capabilities.

Instructions for Installation and Usage

- **Installation:**
 - Attach the CELLVAULT XL to your gear using the integrated webbing clip, M.O.L.L.E. system, or straps.
 - Ensure it is securely fastened to prevent accidental detachment during use.
- **Usage:**
 - To access the contents, you can either detach the CELLVAULT XL or use the integrated clip to open it while still attached.
 - When storing batteries, ensure they are oriented correctly according to the size specifications.
 - For CR123 batteries, squeeze the front and back of the tube to release them securely.

- **Cleaning:**

- Clean the CELLVAULT XL using a test tube or bottle brush. Ensure it is thoroughly washed before storing consumables.

Disposal Instructions

- **Disposal of Batteries:**

- Always dispose of batteries according to local regulations. Do not throw batteries in regular trash.

- **Product Disposal:**

- When disposing of the CELLVAULT XL, check for local recycling programs that accept plastic products. Dispose of it responsibly to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the CELLVAULT XL Battery Storage, please refer to the contact information provided by your retailer or manufacturer. Ensure to keep this manual for future reference.

Thank you for prioritizing safety while using the CELLVAULT XL. Enjoy your secure and organized battery storage solution!
