[Emergency & Survival Gear](#) > [Emergency Electronics](#) > [Batteries](#)

CELLVAULT-18 BATTERY STORAGE FOR 18350 AND 18650 Protect your premium 18650 and 18350 batteries while keeping them immediately accessible, with the CellVault-18. Premium batteries require protection from physical and environmental damage but need to remain accessible to keep advanced tactical lights running at full power. The CellVault-18 takes attachable battery storage to the next level with new features like side windows that help you verify gear status, a metal locking latch, and waterproof double-layer construction. FEATURES: Holds 1 18650 or 2 18350 Rechargeable Batteries Waterproof O-ring seal rated to IPX7 at 2 meters for 30+ minutes Folding metal latch for simple installation and positive attachment Silicone foam shock absorber/noise silencer Clear side windows allow for gear status checks Slim profile: less than 1 MOLLE/PALS column wide for easy integration into existing gear configurations Designed and manufactured in the USA INSTALLATION: Unlock the bottom latch and open the CellVault-18. Fold the latch flat to reduce profile. Insert the rigid strut through MOLLE/PALS Webbing. Unfold the latch to 90 degrees. Verify foam shock absorber is at the bottom of the CellVault-18 tube. Insert battery (or batteries) with the positive (+) terminal towards the foam at the bottom. Close the tube and latch, making sure no material is caught in the tube/cap interface.

CELLVAULT 18 Battery Storage Safety Instructions

Introduction

Thank you for choosing the CELLVAULT 18 Battery Storage by THYRM LLC. This product is designed to protect your premium 18650 and 18350 rechargeable batteries while keeping them easily accessible. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure safe use of the CELLVAULT 18 Battery Storage by following all instructions.
- Be aware of potential hazards, including physical damage to batteries and environmental factors.
- Regularly check for updates on product recalls or safety alerts via the EU Safety Gate platform.
- Always store batteries in a cool, dry place away from direct sunlight and extreme temperatures.
- Keep the product out of reach of children and vulnerable groups to prevent accidental use or harm.

Specific Safety Precautions for Use

- Inspect the CELLVAULT 18 for any damage before use. Do not use if damaged.
- Ensure the waterproof Oring seal is intact to maintain water resistance.
- Avoid exposing the product to harsh chemicals or extreme conditions that may compromise its integrity.
- Do not attempt to disassemble the CELLVAULT 18, as this may lead to damage or hazards.
- Always verify that batteries are inserted correctly, with the positive (+) terminal facing the foam shock absorber.

Instructions for Installation and Usage

1. **Unlock the bottom latch** and open the CELLVAULT 18.
2. **Fold the latch flat** to reduce the profile for easier attachment.
3. **Insert the rigid strut** through MOLLE/PALS webbing as needed for your gear configuration.
4. **Unfold the latch** to a 90degree angle to secure the attachment.
5. **Verify that the foam shock absorber** is positioned at the bottom of the CELLVAULT 18 tube.
6. **Insert your battery (or batteries)** with the positive (+) terminal facing the foam at the bottom of the tube.
7. **Close the tube and latch**, ensuring that no material is caught in the tube/cap interface.

Disposal Instructions

- Dispose of the CELLVAULT 18 and batteries in accordance with local regulations regarding electronic waste.
- Do not throw batteries in household waste. Instead, take them to designated battery recycling points.
- Ensure that the product is cleaned and free of any batteries before disposal.

Contact Information for Further Support

For any inquiries or further assistance regarding the CELLVAULT 18 Battery Storage, please refer to the contact information provided on the product packaging or the manufacturer's website.

Thank you for your attention to these safety instructions. Your safety is our priority!
