

RESTRICTOR RECHARGEABLE EAR BUDS W/BLUETOOTH BLACK

WALKER'S RESTRICTOR EAR BUDS W/BLUETOOTH Walker's Restrictor BT Earbuds combine an impressive 24 dB NRR (Noise Reduction Rating) to shield your hearing from gunshots and other loud noises, while integrating Bluetooth® 5.0 for seamless connectivity through the Walker's Link app. With the app, users can independently control each earbud and switch between four advanced sound modes. Sound Activated Compression technology delivers crystal-clear digital hearing enhancement without compromising wearers' safety. They feature the Sure-Lock™ fin and foam tip system and ergonomically placed buttons that are both easy to access and sleek in appearance. Rechargeable using the included micro-USB cable. Stay protected and connected with our Restrictor BT Earbuds—the next evolution in sound enhancement and hearing protection technology. Designed for shooters, hunters and other outdoor enthusiasts, these premium earbuds combine an impressive 24 dB NRR (Noise Reduction Rating) to shield your hearing from gunshots and other loud noises, while integrating Bluetooth® 5.0 for seamless connectivity through the Walker's Link app. With the app, users can independently control each earbud's volume, activate sleep modes, monitor battery life, and switch between four advanced sound modes—Universal, High Frequency, Power Boost, and Clear Voice—for an experience tailored to their environment at any given moment. This ensures wearers are prepared for shooting and other excessively loud scenarios by arming them with SAC (Sound Activated Compression) technology, which delivers crystal-clear digital hearing enhancement without compromising wearers' safety. Plus, everything about the appearance and functionality of the buds is streamlined and intuitive, from the patented Sure-Lock™ fin and foam tip system to the ergonomically placed buttons that are both easy to access and sleek in their appearance. And at the end of a long day at the range, the duo's built-in lithium batteries, which provide up to 14 hours' worth of runtime, are easily recharged using the included micro-USB cable, so you always have appropriate hearing coverage juiced up and ready. **FEATURES:** Earbud-style sound management technology protects and amplifies sounds based on the situation Bluetooth 5.0 connectivity delivers high-quality audio to connected mobile devices via the Walker's Link app for iOS and Android Four frequency modes, including Universal, Clear Voice, High Frequency, and Power Boost Easy operation via Walker's Link app through your mobile device or smartwatch Dynamic speakers deliver enhanced audio output

Safety Instructions for Walker's Restrictor Rechargeable Ear Buds with Bluetooth

Introduction

Thank you for choosing Walker's Restrictor Rechargeable Ear Buds with Bluetooth. These ear buds are designed to provide superior hearing protection while enhancing your auditory experience in various environments. To ensure your safety and the optimal performance of the product, please read these safety instructions carefully.

General Safety Guidelines

- **Product Safety:** This product is designed to ensure safe use while protecting your hearing from loud noises, such as gunshots. It complies with EU safety regulations.
- **Enhanced Recalls:** In the event of a safety concern, standardized recall notices will be issued, and remedies will be provided at no cost.
- **Online Shopping:** If purchased online, the product must meet the same safety requirements as those sold in physical stores.
- **Special Consumer Focus:** Extra precautions should be taken when used by children or vulnerable individuals.
- **EU Contact Point:** For any safety inquiries, please refer to the designated EU contact point for assistance.
- **Rapid Alerts:** Stay informed about product safety through the EU's Safety Gate system for updates on unsafe products.

Specific Safety Precautions for Use

- **Hearing Protection:** Always use the ear buds in environments where noise levels may exceed safe limits. The 24 dB Noise Reduction Rating (NRR) is designed to protect your hearing.
- **Battery Safety:** Only use the included microUSB cable for recharging. Do not attempt to charge with other cables or devices.
- **Avoid Water Exposure:** Keep the ear buds dry and avoid exposure to water or moisture to prevent damage.
- **Regular Maintenance:** Inspect the ear buds regularly for any signs of wear or damage. If any issues are found, discontinue use immediately.
- **Volume Control:** Use the Walker's Link app to manage volume levels. Avoid setting the volume at maximum to prevent potential hearing damage.
- **Comfort Fit:** Ensure that the ear tips fit snugly but comfortably in your ears. If you experience discomfort, adjust or replace the ear tips.

Instructions for Installation and Usage

1. Charging the Ear Buds:

- Connect the included microUSB cable to the charging port on the ear buds.
- Plug the other end into a USB power source.
- Allow the ear buds to charge fully before first use, which may take up to 3 hours.

2. Pairing with Bluetooth Devices:

- Turn on the ear buds by pressing the power button.
- Activate Bluetooth on your mobile device.
- Search for available devices and select "Walker's Restrictor Ear Buds" from the list.
- Follow any additional prompts to complete the pairing process.

3. **Using the Walker's Link App:**

- Download the Walker's Link app from the App Store or Google Play.
- Open the app and follow the onscreen instructions to connect to your ear buds.
- Use the app to control volume, switch sound modes, and monitor battery life.

4. **Sound Modes:**

- The ear buds feature four sound modes: Universal, High Frequency, Power Boost, and Clear Voice. Switch between modes using the Walker's Link app to tailor your listening experience.

5. **Powering Off:**

- To turn off the ear buds, press and hold the power button until you hear a prompt indicating they are powered off.

Disposal Instructions

- **Battery Disposal:** Dispose of the ear buds and their batteries in accordance with local regulations regarding electronic waste. Do not throw them in regular trash.
- **Recycling:** Consider recycling the product at designated electronic recycling facilities to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the use or safety of your Walker's Restrictor Rechargeable Ear Buds, please refer to the official support channels provided by the manufacturer.

By following these safety instructions, you can ensure a safe and enjoyable experience with your Walker's Restrictor Rechargeable Ear Buds with Bluetooth. Thank you for your attention to these important guidelines.
