[Shooting Accessories](#) > [Ear & Eye Protection](#) > [Ear Plugs](#)

WALKER'S RESTRICTOR EAR BUDS W/BLUETOOTH Walker's Restrictor BT Earbuds combine an impressive 24 dB NRR (Noise Reduction Rating) to shield your hearing from gunshots and other loud noises, while integrating Bluetooth® 5.0 for seamless connectivity through the Walker's Link app. With the app, users can independently control each earbud and switch between four advanced sound modes. Sound Activated Compression technology delivers crystal-clear digital hearing enhancement without compromising wearers' safety. They feature the Sure-Lock™ fin and foam tip system and ergonomically placed buttons that are both easy to access and sleek in appearance. Rechargeable using the included micro-USB cable. Stay protected and connected with our Restrictor BT Earbuds—the next evolution in sound enhancement and hearing protection technology. Designed for shooters, hunters and other outdoor enthusiasts, these premium earbuds combine an impressive 24 dB NRR (Noise Reduction Rating) to shield your hearing from gunshots and other loud noises, while integrating Bluetooth® 5.0 for seamless connectivity through the Walker's Link app. With the app, users can independently control each earbud's volume, activate sleep modes, monitor battery life, and switch between four advanced sound modes—Universal, High Frequency, Power Boost, and Clear Voice—for an experience tailored to their environment at any given moment. This ensures wearers are prepared for shooting and other excessively loud scenarios by arming them with SAC (Sound Activated Compression) technology, which delivers crystal-clear digital hearing enhancement without compromising wearers' safety. Plus, everything about the appearance and functionality of the buds is streamlined and intuitive, from the patented Sure-Lock™ fin and foam tip system to the ergonomically placed buttons that are both easy to access and sleek in their appearance. And at the end of a long day at the range, the duo's built-in lithium batteries, which provide up to 14 hours' worth of runtime, are easily recharged using the included micro-USB cable, so you always have appropriate hearing coverage juiced up and ready. FEATURES: Earbud-style sound management technology protects and amplifies sounds based on the situation Bluetooth 5.0 connectivity delivers high-quality audio to connected mobile devices via the Walker's Link app for iOS and Android Four frequency modes, including Universal, Clear Voice, High Frequency, and Power Boost Easy operation via Walker's Link app through your mobile device or smartwatch Dynamic speakers deliver enhanced audio output

Safety Instruction Guide for Walker's Restrictor Rechargeable Ear Buds with Bluetooth

Introduction

Thank you for choosing Walker's Restrictor Rechargeable Ear Buds with Bluetooth. These ear buds are designed to provide hearing protection while enhancing your audio experience. This guide outlines important safety information, usage instructions, and disposal guidelines to ensure your safety and satisfaction.

General Safety Guidelines

- **Product Safety:**
 - Ensure safe use of the ear buds by following all instructions.
 - The product is designed to minimize risks associated with loud noises.
- **Enhanced Recalls:**
 - Stay informed about any product recalls through official channels.
- **Online Shopping:**
 - Ensure you purchase from authorized retailers to guarantee product safety.
- **Special Consumer Focus:**
 - Extra caution is advised for vulnerable groups, including children.
- **EU Contact Point:**
 - For safety inquiries, refer to the designated EU contact point.
- **Rapid Alerts:**
 - Keep updated on safety notices via the EU Safety Gate system.

Specific Safety Precautions for Use

- Always ensure the ear buds fit securely to avoid accidental loss.
- Do not use the ear buds in environments where hearing is critical, such as while driving or operating heavy machinery.
- Regularly check the battery status to avoid sudden shutdowns during use.
- Avoid exposure to extreme temperatures or moisture.
- Do not attempt to disassemble or repair the ear buds yourself.
- Keep the ear buds out of reach of children when not in use.

Instructions for Installation and Usage

1. Charging the Ear Buds:

- Use the included microUSB cable to charge the ear buds.
- Connect the USB end to a power source and the microUSB end to the ear buds.
- Allow the ear buds to charge fully before first use.

2. Connecting via Bluetooth:

- Turn on the ear buds by pressing the power button.
- Enable Bluetooth on your mobile device.
- Search for "Walker's Restrictor" in your device's Bluetooth settings.
- Select the ear buds to pair them with your device.

3. Using the Walker's Link App:

- Download the Walker's Link app from the iOS or Android store.

- Open the app and follow the onscreen instructions to connect to your ear buds.
- Use the app to adjust volume, switch sound modes, and monitor battery life.

4. Selecting Sound Modes:

- Use the Walker's Link app to switch between the four sound modes: Universal, High Frequency, Power Boost, and Clear Voice.
- Choose the mode that best fits your environment and needs.

5. Regular Maintenance:

- Clean the ear buds regularly with a soft, dry cloth.
- Store the ear buds in a cool, dry place when not in use.

Disposal Instructions

- Dispose of the ear buds according to local electronic waste regulations.
- Do not throw the ear buds in regular household waste.
- Remove the lithium batteries if applicable, and recycle them separately at designated battery recycling points.

Contact Information for Further Support

For any inquiries regarding safety, usage, or other concerns, please refer to the designated EU contact point or your retailer.

By following these guidelines, you can ensure a safe and enjoyable experience with your Walker's Restrictor Rechargeable Ear Buds with Bluetooth. Thank you for prioritizing your hearing protection and enhancing your audio experience.
