

AFTERBURNER + RAMJET FOR GLOCK 17 GEN 3® - RADIAN WEAPONS RAMJET BARREL W/AFTERBURNER MICRO COMP GLOCK 17 G3 BLK/GRAY

RADIAN WEAPONS AFTERBURNER + RAMJET FOR GLOCK 17 GEN 3® The Radian® AFTERBURNER™ + RAMJET™ combo provide unprecedented recoil reduction and match grade accuracy in a concealed carry package. The threadless barrel design allows for effortless install/removal for cleaning, while LEGAL FOR SALE IN ALL 50 STATES*. The AFTERBURNER™ compensator is machined from stainless steel and the RAMJET™ barrel from hardened 416R SS; both are enhanced with a Radianite™ coating. This combination achieves low friction, high hardness, and high corrosion resistance, making overall durability and erosion from muzzle blast a non-issue. Angled front faces on the AFTERBURNER aid in holstering. The INTRA-LOK® mounting system uses the taper lock principle; a tapered locking screw interfaces with an angled V-groove on the underside of the barrel. This perfectly times the compensator as it locks down onto the upper barrel profile on the muzzle end of the barrel. INTRA-LOK® allows the user to simply slide the compensator over the barrel, insert and tighten the locking screw, making for a simple and repeatable installation process. This system allows the user to easily remove the barrel from the slide for cleaning. Safety Instruction Guide for AFTERBURNER + RAMJET for GLOCK 17 GEN 3

Introduction

Thank you for choosing the AFTERBURNER + RAMJET for your GLOCK 17 GEN 3. This product is designed to enhance your shooting experience by providing recoil reduction and improved accuracy. It is important to follow safety guidelines to ensure safe usage and maintenance of this product. This guide provides essential safety instructions, installation procedures, and disposal information in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always treat your firearm and accessories as if they are loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store the product in a secure place, out of reach of children and unauthorized users.
- Regularly inspect the product for wear and damage before each use.
- Ensure that you are familiar with the operation of your GLOCK 17 GEN 3 and the AFTERBURNER + RAMJET before use.
- Use only compatible ammunition as specified by the manufacturer.
- Be aware of your surroundings and ensure a safe shooting environment.
- Report any unsafe products or incidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the AFTERBURNER compensator and RAMJET barrel are securely attached before firing.
- Avoid using the product in adverse weather conditions that may affect performance or safety.
- Do not exceed the manufacturer's recommended ammunition specifications.
- Do not attempt to modify the AFTERBURNER or RAMJET components.
- Use eye and ear protection when using the firearm with this product.
- If you experience any malfunctions or unusual behavior, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

Installation Instructions

1. **Ensure Safety:** Before installation, ensure that the firearm is unloaded and pointed in a safe direction.
2. **Remove Existing Components:**
 - Disassemble the GLOCK 17 GEN 3 according to the manufacturer's instructions.
 - Remove the existing barrel and compensator if applicable.
3. **Install RAMJET Barrel:**
 - Slide the RAMJET barrel into the slide of the GLOCK 17 GEN 3.
 - Ensure that the barrel is properly seated.
4. **Attach AFTERBURNER Compensator:**
 - Align the AFTERBURNER compensator with the RAMJET barrel.
 - Use the INTRALOK mounting system:
 - Slide the compensator over the barrel.
 - Insert the locking screw and tighten securely.
5. **Check Installation:**
 - Verify that the compensator is securely attached and that there is no movement.
 - Reassemble the firearm as per the manufacturer's instructions.

Usage Instructions

- Always perform a function check after installation.
- When ready to fire, ensure that you are in a safe shooting position.
- Maintain proper grip and stance while using the firearm.
- After firing, check for any signs of wear or damage to the AFTERBURNER and RAMJET components.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding firearms and firearm accessories.
- Do not dispose of the product in regular household waste.
- Contact local authorities or waste management services for proper disposal methods.

Contact Information for Further Support
