

UCS™! ADJUSTABLE CARBINE STOCK FOR AR-15 - UCS ADJUSTABLE CARBINE STOCK FOR AR-15 OD GREEN

MAGPUL® UCS™ ADJUSTABLE CARBINE STOCK FOR AR-15 The Magpul UCS (Universal Carbine Stock) is designed to be the ideal supplement to the vast array of firearms utilizing a vertical M1913 Picatinny rail on the rear of the receiver for stock fitment. To accommodate the wide variety of charging handles styles, ejection port locations, and control locations, the UCS features a reversible hinge for left and right folding configurations, and five degrees of drop for clearance. The UCS ships with two reversible Cheek Risers (0.50", and 0.75"), and when combined with the reversible M1913 clamp (allowing for a 1/2-slot height adjustment), the shooter can dial in head placement for an optimal sight picture using iron sights or optics. Offering three (3) inches of length of pull (LOP) adjustment spanning six (6) positions – which can be adjusted via the LOP buttons – the stock fits any shooter, with and without armor or other bulky equipment. The UCS also includes a reversible, anti-rotation QD socket for sling attachments, and is compatible with MOE SL® and DT Butt-Pads. Made in the USA.

FEATURES

PROVIDES EXTREME ADJUSTABILITY Six (6) position, push-button LOP adjustment allows three (3) inches of total adjustment Toolless, removeable and reversible Cheek Risers for comb height adjustment (0.50" and 0.75") Reversible M1913 clamp allowing for a ½-slot height adjustment for further stock height adjustment

UCS Adjustable Carbine Stock for AR15 Safety Instructions

Introduction

Thank you for purchasing the MAGPUL UCS Adjustable Carbine Stock for AR15. This safety instruction guide provides essential information to ensure the safe use, installation, and maintenance of your stock. Please read this guide thoroughly before use.

General Safety Guidelines

- Ensure the product is compatible with your firearm model before installation.
- Always follow local laws and regulations regarding firearm accessories.
- Inspect the stock for any damage before use. Do not use if damaged.
- Keep the stock and all firearm components out of reach of children.
- Use the stock only for its intended purpose; misuse may result in injury or malfunction.
- Regularly check for wear and tear, especially on moving parts and attachment points.
- If you experience any issues during use, cease operation immediately and consult a qualified gunsmith.

Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before installing or adjusting the stock.
- Use only the recommended tools for installation and adjustment to avoid damage.
- When adjusting the Length of Pull (LOP), do so slowly and carefully to avoid pinching fingers.
- Be mindful of the reversible folding mechanism; ensure it is securely locked in place before use.
- When using sling attachments, ensure they are properly secured to prevent accidental detachment.
- Avoid using the stock in extreme weather conditions, as this may affect performance and safety.
- If using with optics, ensure proper alignment for optimal sight picture to avoid misfires.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing stock if applicable.
- Align the UCS stock with the M1913 rail on the rear of the receiver.
- Secure the stock using the provided hardware, ensuring it is tightly fitted.
- Adjust the stock to the desired length of pull using the pushbutton LOP adjustment.

2. Adjusting Cheek Risers:

- Select the desired Cheek Riser height (0.50" or 0.75").
- Remove the existing Cheek Riser by releasing the securing mechanism.
- Install the selected Cheek Riser and ensure it is securely fastened.

3. Reversible Folding Mechanism:

- To adjust the folding direction, release the hinge mechanism.
- Rotate the stock to the desired side (left or right).
- Secure the hinge mechanism to lock the stock in place.

4. Sling Attachment:

- Attach your sling to the reversible QD socket.
- Ensure the attachment is secure before use.

5. Usage:

- When using the firearm, ensure the stock is properly adjusted for your shooting stance.
- Regularly check the stock and attachments during use for any signs of wear or looseness.

Disposal Instructions

- Dispose of the stock in accordance with local regulations for plastic and polymer materials.
- Do not dispose of the stock in regular household waste. Check with local authorities for recycling options.
- Ensure all components are removed from the firearm before disposal.
