The L.E. Wilson Rifle Case Holder holds the case for trimming, primer pocket reaming, neck reaming and deburring. The L.E. Wilson Trimmer Case Holder provides the ultimate accuracy and uniformity for trimming your cases. The unique design of the case holder supports the case body, much like a chamber of a firearm. The Case Holders are precisely manufactured for consistent results and repeatability. The FIRED Case Holders are for Neck Sized Cases. NEW Case Holders work with new, unfired brass or cases that have been full length sized. If a type isn't specified the holder will fit both Fired, New, Neck or Full Length sized cases.

Safety Instruction Guide for L.E. Wilson 350 Legend New Case Holder

Introduction

Thank you for choosing the L.E. Wilson 350 Legend New Case Holder. This product is designed to securely hold cases during trimming, primer pocket reaming, neck reaming, and deburring. To ensure safe and effective use, please read this safety instruction guide carefully. It provides essential information to help you use the product safely and in accordance with EU safety regulations.

General Safety Guidelines

- Always read and follow the instructions provided with the product.
- Ensure that the case holder is compatible with the type of cases you are using (Fired, New, Neck, or Full Length sized).
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the case holder before each use for any signs of damage or wear.
- Do not use the case holder for any purpose other than its intended use.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Ensure that the case holder is securely attached before use to prevent accidents.
- Use appropriate personal protective equipment (PPE), such as safety glasses, when operating the trimmer.
- Be cautious of sharp edges when handling the case holder and during trimming operations.
- Do not exceed the recommended trimming length as it may compromise safety and performance.
- Avoid wearing loose clothing or jewelry that could become caught in the equipment during use.
- Always work in a wellventilated area to avoid inhaling any dust or debris produced during trimming.

Instructions for Installation and Usage

1. Installation of the Case Holder:

- Ensure that the trimmer is turned off and unplugged before installation.
- Select the appropriate case holder for the type of case you are using.
- Align the case holder with the trimmer and secure it in place according to the manufacturer's instructions.

2. Using the Case Holder:

- Insert the case into the holder, ensuring it is seated properly.
- Adjust the trimmer settings according to your specific requirements.
- Turn on the trimmer and proceed with trimming, ensuring that your hands and body are clear of moving parts.
- Once trimming is complete, turn off the trimmer and carefully remove the case from the holder.

3. PostUse Care:

- Clean the case holder after each use to prevent buildup of debris.
- Store the case holder in a dry, safe place away from children and pets.

Disposal Instructions

- Dispose of the case holder in accordance with local regulations regarding electronic waste and materials.
- Do not dispose of the product in regular household waste.
- If the product is damaged beyond repair, contact your local waste management facility for proper disposal methods.
