

# U-RAC SUPPRESSOR SHIELD WITH RAIL ATTACHMENT - MODTAC U-RAC SUPPRESSOR SHIELD SIZE 5.0 IN RAIL TYPE AR-15

[Shooting Accessories](#) > [Suppressor Accessories](#) > [Suppressor Covers](#)

MODTAC U-RAC SUPPRESSOR SHIELD WITH RAIL ATTACHMENT Premier Personal Protection Accessory for suppressors up to 1.70" in diameter. Suppressor Shield - Advanced Suppressor Cover Prevent Burns. Eliminate Mirage. Mitigate Risk. This size Suppressor Shield will not work on suppressors larger than 1.700". Please see the U-RAC XL to accommodate larger bodied suppressors. The U-RAC Suppressor Shield delivers superior suppressor protection while maintaining minimal weight. Designed for extensive compatibility, it integrates with standard AR-15 rails using a Picatinny rail grabber that also supports the Unity Tactical FUSION™ folding front sight and other MODTAC accessories. The U-RAC's free-floating, air-gapped design protects the user and enables the mission without increasing peak suppressor temperatures or inhibiting suppressor cool down. Its quick-disconnect system ensures a secure fit, even under full-auto fire. Crafted with a lightweight aluminum coupler and high-temp carbon fiber, the U-RAC is a precision tool built for peak performance in any environment. Key Features & Benefits Protect Users - An average of 60% or greater heat reduction and advanced composite construction prevents burns and protects equipment. Picatinny Rail Compatibility - Integrates seamlessly with standard AR-15 rails. Unity Tactical FUSION™ Compatible - Accepts the Unity Tactical FUSION™ folding front sight for optimized rail space. Quick Disconnect & Secure Locking - Ensures secure rail mount while allowing for easy installation and removal of the Shield Assembly.

# URAC Suppressor Shield Safety Instruction Guide

## Introduction

Thank you for choosing the MODTAC URAC Suppressor Shield with Rail Attachment. This product is designed to enhance personal protection while using suppressors. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the URAC Suppressor Shield. This product is designed to prevent burns and mitigate risks associated with high temperatures.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices related to this product. Standardized recall notices will be provided if necessary.
- **Online Shopping:** If purchased online, ensure that the retailer complies with safety requirements similar to physical stores.
- **Special Consumer Focus:** This product is intended for adult users. Keep out of reach of children.
- **EU Contact Point:** For any safety inquiries, ensure that you have access to an EU-based contact point.
- **Rapid Alerts:** Be aware of updates regarding unsafe products through the Safety Gate system.

## Specific Safety Precautions for Use

- **Heat Management:** The URAC Suppressor Shield provides an average of 60% heat reduction. Always check the suppressor's temperature before handling.
- **Compatibility:** Ensure that the suppressor is compatible with the URAC Suppressor Shield (up to 1.70" in diameter). For larger suppressors, consider the URAC XL.
- **Installation:** Follow the installation instructions carefully to ensure a secure fit. Improper installation may lead to accidents.
- **Usage Under Fire:** The quickdisconnect system is designed for secure mounting. However, always monitor the suppressor during use, especially under full auto fire.
- **Material Safety:** The shield is made from hightemp carbon fiber and aluminum. Avoid exposing it to extreme conditions that may compromise its integrity.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the suppressor is clean and free of debris before installation.
- Align the URAC Suppressor Shield with the suppressor, ensuring it fits securely.
- Use the Picatinny rail grabber to attach the shield to the standard AR15 rail.
- Confirm that the shield is locked in place using the quickdisconnect system.

### 2. Usage:

- Always wear appropriate protective gear when using firearms.
- Monitor the suppressor temperature during use. If it becomes too hot, allow it to cool before handling.
- Regularly check the attachment of the suppressor shield, especially after extended use.

## Disposal Instructions

- Dispose of the URAC Suppressor Shield in accordance with local regulations for composite materials.
- Do not dispose of in regular household waste. Check with local waste management for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the URAC Suppressor Shield, please refer to the retailer or manufacturer's website for support and additional information.

Thank you for prioritizing safety while using the MODTAC URAC Suppressor Shield. Your adherence to these guidelines helps ensure a safe and effective experience.
