

# U-RAC SUPPRESSOR SHIELD WITH RAIL ATTACHMENT - MODTAC U-RAC SUPPRESSOR SHIELD SIZE 5.5 IN RAIL TYPE AR-15

[Shooting Accessories](#) > [Suppressor Accessories](#) > [Suppressor Covers](#)

MODTAC U-RAC SUPPRESSOR SHIELD WITH RAIL ATTACHMENT Premier Personal Protection Accessory for suppressors up to 1.70" in diameter. Suppressor Shield - Advanced Suppressor Cover Prevent Burns. Eliminate Mirage. Mitigate Risk. This size Suppressor Shield will not work on suppressors larger than 1.700". Please see the U-RAC XL to accommodate larger bodied suppressors. The U-RAC Suppressor Shield delivers superior suppressor protection while maintaining minimal weight. Designed for extensive compatibility, it integrates with standard AR-15 rails using a Picatinny rail grabber that also supports the Unity Tactical FUSION™ folding front sight and other MODTAC accessories. The U-RAC's free-floating, air-gapped design protects the user and enables the mission without increasing peak suppressor temperatures or inhibiting suppressor cool down. Its quick-disconnect system ensures a secure fit, even under full-auto fire. Crafted with a lightweight aluminum coupler and high-temp carbon fiber, the U-RAC is a precision tool built for peak performance in any environment. Key Features & Benefits Protect Users - An average of 60% or greater heat reduction and advanced composite construction prevents burns and protects equipment. Picatinny Rail Compatibility - Integrates seamlessly with standard AR-15 rails. Unity Tactical FUSION™ Compatible - Accepts the Unity Tactical FUSION™ folding front sight for optimized rail space. Quick Disconnect & Secure Locking - Ensures secure rail mount while allowing for easy installation and removal of the Shield Assembly.

# URAC Suppressor Shield Safety Instructions

## Introduction

Thank you for choosing the MODTAC URAC Suppressor Shield with Rail Attachment. This product is designed to enhance personal protection while using suppressors. To ensure your safety and the optimal performance of the URAC Suppressor Shield, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Ensure that the URAC Suppressor Shield is compatible with your suppressor. It is designed for suppressors up to 1.70 inches in diameter. For larger suppressors, consider the URAC XL model.
- Always inspect the Suppressor Shield before use for any signs of damage or wear.
- Avoid direct contact with the suppressor or the Shield during operation, as high temperatures may cause burns.
- Keep the Suppressor Shield out of reach of children and vulnerable individuals.
- Report any unsafe product incidents or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- **Heat Protection:** The URAC Suppressor Shield provides an average of 60% or greater heat reduction. However, it is still essential to avoid direct contact with the Shield or suppressor during and immediately after use.
- **Compatibility:** Ensure that the Shield is securely attached to the standard AR15 rail. Use only compatible accessories to avoid compromising safety and performance.
- **Secure Mounting:** Always verify that the quickdisconnect system is functioning correctly and that the Shield is securely locked in place before use.
- **Avoid Overheating:** Do not exceed the recommended usage limits for suppressors. Monitor suppressor temperatures closely to prevent overheating.
- **Proper Handling:** Always handle the suppressor and Shield with care, especially during installation and removal.

## Instructions for Installation and Usage

### Installation

1. **Prepare the Equipment:** Ensure that your AR15 rail is clean and free of debris before installation.
2. **Attach the Shield:**
  - Align the Picatinny rail grabber of the URAC Suppressor Shield with the rail on your AR15.
  - Slide the grabber onto the rail until it is securely in place.
3. **Lock the Shield:**
  - Engage the quickdisconnect system to ensure a secure fit.
  - Check that the Shield is firmly attached and does not move or wobble.
4. **Check Compatibility:** Confirm that the Shield is properly aligned with the suppressor and does not obstruct any other accessories.

### Usage

- **Operational Use:** Use the URAC Suppressor Shield during shooting sessions to protect against burns and mitigate mirage.
- **Cooling Period:** Allow the suppressor to cool down after use. The Shield's design helps facilitate cooling but does not eliminate the need for caution.
- **PostUse Inspection:** After each use, inspect the Shield for any signs of wear or damage. Replace if necessary.

## **Disposal Instructions**

- Dispose of the URAC Suppressor Shield in accordance with local regulations regarding electronic and composite materials.
- Do not incinerate or expose to high heat during disposal, as this may release harmful substances.

## **Contact Information for Further Support**

For questions or concerns regarding the URAC Suppressor Shield, please refer to the manufacturer's website or contact customer support directly. Always keep your proof of purchase for warranty and support purposes.

By following these safety instructions, you can ensure a safe and effective experience with your MODTAC URAC Suppressor Shield. Thank you for your commitment to safety and responsible usage.
