

6.5 GRENDAL BRASS - ALPHA MUNITIONS 6.5 GRENDAL SMALL RIFLE PRIMER BRASS 100/BOX

ALPHA MUNITIONS 6.5 GRENDAL BRASS The 6.5mm Grendel is an intermediate rifle cartridge designed to provide enhanced long-range performance for the AR-15 platform compared to the standard 5.56 NATO round. Its designed for high precision at medium to long range with low recoil.

The Alpha 6.5mm Grendel brass uses Small Rifle primers and ships in 100 count custom Alpha Munitions plastic cases with perforated bi-layer foam for protection of cases during shipping and can be used for loaded ammunition. Each 6.5mm Grendel case produced by Alpha Munitions also incorporates the company's OCD with optimized case head technology, which is designed to lengthen primer pocket life, as well as the life of the case overall, even at higher than normal pressures and velocities.

Safety Instruction Guide for 6.5 GRENDEL BRASS ALPHA MUNITIONS

Introduction

Thank you for choosing the 6.5 GRENDEL BRASS from Alpha Munitions. This product is designed for high precision and enhanced longrange performance in the AR15 platform. Please read this safety instruction guide carefully to ensure safe handling and use of the product.

General Safety Guidelines

- Always treat all ammunition components as if they are live and capable of firing.
- Store all ammunition in a cool, dry place away from direct sunlight and moisture.
- Keep ammunition out of reach of children and unauthorized users.
- Inspect the product regularly for any signs of damage or wear.
- Report any unsafe products or accidents to the relevant authorities immediately.
- Check for recall updates on the EU's Safety Gate platform to ensure your product is safe.

Specific Safety Precautions for Use

- Use only small rifle primers as specified for the 6.5mm Grendel brass.
- Ensure that your firearm is compatible with the 6.5mm Grendel cartridge before use.
- Always wear appropriate eye and ear protection when handling or firing ammunition.
- Do not exceed the recommended load specifications for your firearm.
- Avoid using damaged or deformed brass cases, as they can lead to malfunctions or accidents.
- Follow all local laws and regulations regarding the use and storage of ammunition.

Instructions for Installation and Usage

• Installation:

- Ensure your workspace is clean and free of clutter.
- Gather all necessary tools and equipment for reloading, including a reloading press, scales, and safety gear.
- Follow the manufacturer's instructions for your specific reloading equipment.

• Usage:

- Load the 6.5mm Grendel brass only with compatible components, including primers, powder, and projectiles.
- After loading, visually inspect each cartridge to ensure proper assembly and functionality.
- Store loaded ammunition in a secure and designated area to prevent unauthorized access.
- When ready to fire, ensure that you are in a safe environment and that all safety protocols are followed.

Disposal Instructions

- Dispose of any unused or defective brass cases in accordance with local waste management regulations.
- Do not throw brass cases into regular trash; instead, consider recycling them if possible.
- Ensure that all hazardous materials, such as primers and gunpowder, are disposed of properly at designated facilities.

Contact Information for Further Support

For any questions or concerns regarding the 6.5 GRENDDEL BRASS or safety issues, please refer to the contact information provided on the packaging or product documentation. It is crucial to have access to support for any safety inquiries.

Thank you for prioritizing safety while using Alpha Munitions products. Your adherence to these guidelines helps ensure a safe and enjoyable experience.
