Safety Instruction Guide for BRN CHANNEL TOOL FOR GLOCK®

Introduction

Thank you for choosing the BROWNELLS BRN CHANNEL TOOL FOR GLOCK®. This tool is designed for the installation and removal of Glock channel liners. It is important to follow the safety instructions outlined in this guide to ensure safe and effective use of the product.

General Safety Guidelines

- Always read and understand the instructions before using the tool.
- Keep the tool out of reach of children and vulnerable individuals.
- Inspect the tool before each use to ensure it is in good working condition.
- Use the tool for its intended purpose only.
- Report any unsafe conditions or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure you are wearing appropriate personal protective equipment (PPE), such as safety glasses, to protect your eyes from debris.
- Use caution when handling the tool and the Glock channel liners to avoid injury.
- Avoid using excessive force when removing or installing the channel liner to prevent damage to the tool or the firearm.
- Do not use the tool if it is damaged or malfunctioning.
- Store the tool in a safe and secure location when not in use.

Instructions for Installation and Usage

1. Preparation

- Ensure you have a clean and welllit workspace.
- Gather all necessary tools and materials, including the BRN CHANNEL TOOL, a 3/32 punch, and the Glock channel liner.

2. Installation of Channel Liner

- Align the channel liner with the designated area on the Glock frame.
- Use the BRN CHANNEL TOOL to gently press the channel liner into place.
- If necessary, use the 3/32 punch inserted into the hole of the tool for added leverage.

3. Removal of Channel Liner

- Insert the BRN CHANNEL TOOL into the channel liner.
- Apply gentle pressure to remove the channel liner from the Glock frame.
- If resistance is encountered, do not force the tool. Instead, assess the situation and ensure that no additional safety measures are needed.

4. PostUse

- Clean the tool after each use to maintain its condition.
- Store the tool in a safe location, away from children and unauthorized users.

Disposal Instructions

- Dispose of any damaged or unusable tools in accordance with local regulations.
- Do not throw the tool in regular household waste. Instead, check for designated disposal sites for metal tools.

Contact Information for Further Support

For safety inquiries or additional support, please refer to the manufacturer's website or contact customer service through the appropriate channels.

By following these guidelines, you can ensure a safe and effective experience with the BROWNELLS BRN CHANNEL TOOL FOR GLOCK®. Thank you for your attention to safety and compliance.
