

# PMAG® 30 GEN M3"! 5.56 NATO RIFLE MAGAZINE W/WINDOW FOR AR-15 - MAGPUL PMAG 30 AR/M4 GEN M3 WINDOW, 5.56X45

## Super-Durable & Ultra-Dependable PMAG Refined & Battle-Hardened By Combat Experience

The next-generation PMAG 30 GEN M3 Window is a 30-round 5.56x45 NATO (.223 Remington) polymer magazine for AR15/M4 compatible weapons that features transparent windows to allow rapid visual identification of approximate number of rounds remaining. Along with expanded feature set and compatibility, the GEN M3 Window incorporates new material technology and manufacturing processes for enhanced strength, durability, and reliability to exceed rigorous military performance specifications. While the GEN M3 is optimized for Colt-spec AR15/M4 platforms, modified internal and external geometry also permits operation with a range of additional weapons such as the HK® 416/MR556A1/M27 IAR, British SA-80, FN® SCAR MK 16/16S, and others. Similar to the MOE® PMAG, the GEN M3 Window features a long-life USGI-spec stainless steel spring, four-way anti-tilt follower and constant-curve internal geometry for reliable feeding, and simple tool-less disassembly to ease cleaning. In addition, a redesigned bolt catch notch in the rear of the magazine provides increased bolt catch clearance, while an over-travel stop on the spine helps ensure the magazine will not over-insert on compatible weapons. Low profile ribs and new aggressive front and rear texture gives positive control of the GEN M3 in all environments, and a paint pen dot matrix has been added to the bottom panel of the body to allow easy marking by the end user for identification. The new, easy to disassemble flared floorplate aids extraction and handling of the magazine while providing improved drop protection, but is slightly slimmer than before for better compatibility with tight double and triple magazine pouches. Durable dual-side transparent windows allow for quick determination of approximate number of rounds remaining in the magazine. Utilizing a high visibility indicator coil on the spring and numerical markers on the magazine body, the MagLevel® system provides positive verification without affecting the durability or reliability of the magazine. FEATURES 30-round reliability and no stoppages Anti-glare translucent MagLevel windows on both sides of the body along with a painted indicator on the spring allows for easy determination of rounds remaining from 1 to 30 Next-generation impact and crush-resistant polymer construction Modified dimensions allow for wider compatibility with non Colt-spec 'STANAG 4179' platforms The anti-tilt, self-lubricating follower ensures a smooth feed and magazine reliability Constant-curve internal geometry, over-travel insertion stop on the spine, and a long-life stainless steel spring ensure smooth feeding Paint pen dot matrix panels on the bottom of the body to allow for identification marking Its ribbed gripping surface and aggressive front and rear texture provide positive magazine handling Improved slimmer floorplate aids magazine handling and disassembly and is slim enough for use with many double and triple pouches Made in the USA. SPECS Caliber: 5.56x45mm / .223 Remington Platform: AR15, M4, M16, SA-80 Capacity: 30 Rounds Weight: 5 oz. Length, max: 7.5 in. Compatibility: Wide compatibility with most 'STANAG 4179' platforms such as the AR15, M4, M16, SCAR MK16/16S, HK416, MR556, M27 IAR, IWI Tavor, and others NOTE: DOES NOT INCLUDE DUST COVER

# Sicherheitshinweise für das AR15 PMAG GEN M3 30RD SichtfensterMagazin

## Einführung

Herzlichen Glückwunsch zum Kauf des AR15 PMAG GEN M3 30RD SichtfensterMagazins! Dieses Magazin wurde entwickelt, um die Leistung und Zuverlässigkeit deiner AR15/M16/M4-Plattform zu verbessern. Bitte lies diese Sicherheitshinweise sorgfältig durch, um sicherzustellen, dass du das Produkt sicher und effektiv verwendest.

## Allgemeine Sicherheitsrichtlinien

- Achte darauf, dass das Magazin nur mit der dafür vorgesehenen Munition (5.56mm/.223) verwendet wird.
- Halte das Magazin außerhalb der Reichweite von Kindern und unbefugten Personen.
- Überprüfe das Magazin regelmäßig auf Beschädigungen oder Abnutzung.
- Verwende das Magazin nicht, wenn es Anzeichen von Rissen oder anderen Beschädigungen aufweist.
- Lagere das Magazin an einem trockenen, kühlen Ort, um die Materialintegrität zu gewährleisten.

## Spezifische Sicherheitsvorkehrungen für die Verwendung

- Verwende das Magazin nur in kompatiblen Feuerwaffen (AR15/M16/M4, HK 416, MR556A1, M27 IAR, britisches SA80, FN SCAR MK 16/16S).
- Vergewissere dich vor der Verwendung, dass das Magazin korrekt in die Waffe eingesetzt ist.
- Achte darauf, dass das Magazin beim Laden nicht überfüllt wird.
- Halte das Magazin während des Gebrauchs von extremen Temperaturen, Feuchtigkeit und chemischen Substanzen fern.
- Verwende keine aggressiven Reinigungsmittel, um das Magazin zu reinigen. Ein feuchtes Tuch reicht aus.

## Anleitung zur Installation und Verwendung

### 1. Installation des Magazins:

- Stelle sicher, dass die Waffe entladen ist.
- Führe das Magazin in den Magazinschacht der Waffe ein, bis es einrastet.
- Überprüfe, ob das Magazin fest sitzt.

### 2. Laden des Magazins:

- Halte das Magazin mit einer Hand und drücke die Patronen mit der anderen Hand in die Zuführlippe.
- Achte darauf, dass die Patronen korrekt ausgerichtet sind.

### 3. Entfernen des Magazins:

- Entlade die Waffe, bevor du das Magazin entfernst.
- Drücke den Magazinfang und ziehe das Magazin vorsichtig heraus.

### 4. Reinigung des Magazins:

- Verwende ein weiches, trockenes Tuch, um das Magazin zu reinigen.
- Stelle sicher, dass keine Rückstände von Munition oder Schmutz im Magazin verbleiben.

## **Entsorgungsanweisungen**

- Entsorge das Magazin gemäß den örtlichen Vorschriften für Kunststoffabfälle.
- Wenn das Magazin beschädigt oder nicht mehr verwendbar ist, entsorge es sicher, um mögliche Gefahren zu vermeiden.

## **Kontaktinformationen für weitere Unterstützung**

Für Fragen oder weitere Informationen zu diesem Produkt wende dich bitte an den Hersteller oder den Händler, bei dem du das Produkt erworben hast. Sie können dir bei spezifischen Anliegen oder Problemen weiterhelfen.

Bitte beachte, dass die Sicherheit bei der Verwendung von Feuerwaffen und Zubehör höchste Priorität hat. Halte dich stets an die gesetzlichen Bestimmungen und Sicherheitsrichtlinien.

# PMAG® 30 GEN M3 Window Safety Instruction Guide

## Introduction

Thank you for choosing the PMAG® 30 GEN M3 Window, a highquality polymer magazine designed for AR15 and compatible platforms. This guide provides essential safety instructions to ensure safe handling, usage, and disposal of the product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

To ensure safe use of the PMAG® 30 GEN M3 Window, please adhere to the following guidelines:

- Always handle the magazine with care and ensure it is unloaded before inspection or maintenance.
- Store the magazine in a cool, dry place away from direct sunlight and extreme temperatures.
- Keep the magazine out of reach of children and unauthorized persons.
- Regularly inspect the magazine for any signs of wear or damage. Do not use if damaged.
- Follow all local laws and regulations regarding the use and storage of firearm magazines.

## Specific Safety Precautions for Use

When using the PMAG® 30 GEN M3 Window, please follow these specific safety precautions:

- Ensure that the magazine is compatible with your firearm before use.
- Do not exceed the magazine's capacity of 30 rounds to avoid malfunction.
- Always use appropriate ammunition (5.56x45 NATO / .223 Remington) as specified.
- Be aware of your surroundings and ensure a safe shooting environment.
- Avoid using the magazine in wet or muddy conditions to prevent feeding issues.
- Do not modify or alter the magazine in any way, as this may affect its performance and safety.

## Instructions for Installation and Usage

Follow these steps for the proper installation and usage of the PMAG® 30 GEN M3 Window:

### 1. Loading the Magazine:

- Hold the magazine firmly in one hand.
- Insert rounds into the magazine, ensuring they are seated properly.
- Do not exceed the maximum capacity of 30 rounds.

### 2. Installing the Magazine:

- Align the magazine with the magazine well of the firearm.
- Push the magazine firmly into the magazine well until it clicks into place.

### 3. Using the Magazine:

- Ensure the firearm is pointed in a safe direction.
- Engage the safety mechanism of the firearm before loading.
- Fire the firearm according to the manufacturer's instructions.

### 4. Removing the Magazine:

- Ensure the firearm is unloaded and pointed in a safe direction.

- Press the magazine release button and pull the magazine out of the magazine well.

#### **5. Cleaning and Maintenance:**

- Disassemble the magazine using the toolless disassembly feature.
- Clean the magazine body and follower with a damp cloth.
- Ensure all parts are dry before reassembling the magazine.

## **Disposal Instructions**

When disposing of the PMAG® 30 GEN M3 Window, please follow these instructions:

- Dispose of the magazine in accordance with local waste disposal regulations.
- If the magazine is damaged, ensure it is disposed of safely to prevent injury.
- Do not incinerate the magazine, as it may release harmful substances.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the PMAG® 30 GEN M3 Window, please refer to the contact information provided by the manufacturer or your retailer.

## **Conclusion**

By following these safety instructions, you can ensure the safe and effective use of the PMAG® 30 GEN M3 Window. Always prioritize safety and compliance with local laws while handling and using your magazine. Thank you for your attention to these important safety guidelines.

# Guida alle Istruzioni di Sicurezza per il Caricatore PMAG GEN M3 da 30 colpi

## Introduzione

Questa guida fornisce istruzioni di sicurezza essenziali per l'uso del caricatore PMAG GEN M3 da 30 colpi con finestra 223/5.56 di MAGPUL. È importante seguire queste linee guida per garantire un uso sicuro e responsabile del prodotto, rispettando le normative di sicurezza dei prodotti dell'Unione Europea (EU GPSR).

## Linee Guida Generali di Sicurezza

- Assicurati di utilizzare il caricatore solo con armi compatibili, come AR15, M4, M16, HK 416, MR556A1, M27 IAR, British SA80 e FN SCAR MK 16/16S.
- Conserva il caricatore in un luogo asciutto e sicuro, lontano da fonti di calore e umidità.
- Non utilizzare il caricatore se presenta segni di danni o usura.
- Non modificare il caricatore in alcun modo, poiché ciò potrebbe compromettere la sicurezza e l'affidabilità.
- Tieni il caricatore e le munizioni lontano dalla portata dei bambini e di persone non autorizzate.
- In caso di malfunzionamenti o incidenti, contatta le autorità competenti.

## Precauzioni di Sicurezza Specifiche per l'Uso

- Indossa sempre occhiali protettivi e protezioni per le orecchie quando utilizzi armi da fuoco.
- Assicurati che l'arma sia scarica prima di inserire o rimuovere il caricatore.
- Controlla sempre che il caricatore sia correttamente inserito nell'arma prima di utilizzarla.
- Non tentare di forzare il caricatore nell'arma; se non si inserisce facilmente, verifica che non ci siano ostruzioni.
- Non sovraccaricare il caricatore oltre la sua capacità massima di 30 colpi.
- Durante l'uso, fai attenzione a eventuali segni di malfunzionamento o alimentazione irregolare e interrompi immediatamente l'uso se si verificano problemi.

## Istruzioni per l'Installazione e l'Uso

- Per caricare il caricatore:
  - Posiziona il caricatore su una superficie piana e stabile.
  - Inserisci le munizioni nel caricatore, partendo dalla parte posteriore e spingendo verso il basso.
  - Assicurati che le munizioni siano allineate correttamente e che non ci siano ostacoli.
- Per inserire il caricatore nell'arma:
  - Assicurati che l'arma sia in modalità sicura.
  - Allinea il caricatore con l'apertura dell'arma e spingilo verso l'alto fino a sentire un clic.
- Per rimuovere il caricatore:
  - Assicurati che l'arma sia scarica.
  - Premi il pulsante di rilascio del caricatore e tira il caricatore verso il basso.

## Istruzioni per lo Smaltimento

- Non gettare il caricatore insieme ai rifiuti domestici.
- Segui le normative locali per lo smaltimento di prodotti in plastica e materiali compositi.
- Contatta il tuo comune o un centro di raccolta per informazioni su come smaltire in modo sicuro i caricatori e le munizioni.

## **Informazioni di Contatto per Ulteriori Supporto**

Per domande o ulteriori informazioni sulla sicurezza del prodotto, consulta il sito web ufficiale di MAGPUL o contatta il tuo rivenditore autorizzato. Assicurati di tenere a disposizione il numero di serie del prodotto e la prova di acquisto per eventuali richieste di assistenza.

Seguire queste istruzioni contribuirà a garantire un uso sicuro e responsabile del caricatore PMAG GEN M3 da 30 colpi, rispettando le normative di sicurezza dell'Unione Europea.
