PMAG® AR/M4 GEN M3™ 5.56X45MM NATO Rifle Magazines Safety Instructions

Introduction

Thank you for choosing the PMAG® AR/M4 GEN M3™ 5.56X45MM NATO Rifle Magazine. This guide provides essential safety instructions to ensure the safe use of this product. Please read all instructions carefully before use to minimize risks and ensure compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure the magazine is compatible with your firearm before use.
- Always handle firearms and ammunition with care and respect.
- Keep the magazine out of reach of children and unauthorized users.
- Inspect the magazine regularly for signs of damage or wear.
- Do not use the magazine if it is damaged or malfunctioning.
- Follow all local laws and regulations regarding firearm and magazine ownership and usage.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Use only 5.56x45 NATO or .223 Remington cartridges with this magazine.
- Avoid using the magazine in extreme temperatures or environments that may compromise its integrity.
- Do not overload the magazine beyond its specified capacity (10 or 20 rounds).
- Ensure that the magazine is fully seated in the firearm before firing.
- Do not attempt to modify or alter the magazine in any way.
- Always keep the firearm pointed in a safe direction when loading or unloading the magazine.

Instructions for Installation and Usage

1. Loading the Magazine:

- Ensure the firearm is pointed in a safe direction.
- Hold the magazine with the follower facing up.
- Insert cartridges into the magazine, ensuring they are seated properly.
- For 10round capacity, load up to 10 cartridges; for 20round capacity, load up to 20 cartridges.

2. Inserting the Magazine:

- With the firearm in a safe position, align the magazine with the magazine well.
- Push the magazine firmly into the well until it clicks into place.

3. Removing the Magazine:

- Ensure the firearm is pointed in a safe direction.
- Press the magazine release button to disengage the magazine.
- Pull the magazine straight out of the magazine well.

4. Disassembling the Magazine for Cleaning:

- Ensure the magazine is empty and the firearm is safe.
- Locate the disassembly tab on the magazine.
- Press the tab and gently pull the magazine apart to access internal components.

- Clean the magazine with a soft cloth and ensure no debris is left inside.
- Reassemble the magazine by aligning the components and pressing them back together until they click.

Disposal Instructions

- Dispose of the magazine in accordance with local regulations.
- If the magazine is damaged beyond repair, take it to a designated waste facility.
- Do not dispose of the magazine in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the PMAG® AR/M4 GEN M3™ 5.56X45MM NATO Rifle Magazine, please refer to the manufacturer's website or contact their customer support for assistance.

Thank you for your attention to these safety instructions. Proper use and care of your PMAG® will enhance your shooting experience while ensuring safety for yourself and others.
