MVG® MLOK® Vertical Grip Safety Instructions

Introduction

Thank you for choosing the MAGPUL MVG® MLOK® Vertical Grip. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this manual carefully before installation and use.

General Safety Guidelines

- Ensure that all safety instructions are followed to prevent accidents and injuries.
- The MVG® MLOK® Vertical Grip is designed for use with MLOK compatible hand guards and forends. Ensure compatibility before use.
- Always inspect the grip and mounting hardware for damage before each use.
- Store the product in a cool, dry place away from direct sunlight and extreme temperatures.
- Keep the product out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Use only as intended: The MVG® MLOK® Vertical Grip is designed for firearms use. Do not use it for any other purpose.
- Secure attachment: Ensure the grip is securely attached to the MLOK slots before use. Check for stability and tightness.
- Avoid excessive force: Do not apply excessive force when using the grip, as this may lead to loss of control or injury.
- Be mindful of surroundings: Always be aware of your environment and ensure a safe shooting area when using the grip.

Instructions for Installation and Usage

1. Installation

- Gather all necessary tools and the included MLOK mounting hardware.
- Align the MVG® Vertical Grip with the desired MLOK slot on your hand guard or forend.
- Insert the mounting hardware into the MLOK slots and tighten securely using the appropriate tool.
- Ensure that the grip is firmly attached and does not move when pulled.

2. Usage

- Hold the grip firmly with your nondominant hand while aiming and shooting.
- Utilize the "thumb break method" for optimal control and stability.
- Maintain a proper shooting stance and ensure your firearm is pointed in a safe direction at all times.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not incinerate or dispose of in a manner that may cause environmental harm.
- If the product is no longer usable, consider recycling the polymer material where facilities exist.
