MK2 ACRO AIMPOINT MOUNT Safety Instruction Guide

Introduction

Thank you for choosing the MK2 ACRO AIMPOINT MOUNT by Midwest Industries, Inc. This guide provides essential safety instructions and information to ensure the safe use of this product. Please read this guide thoroughly before using the mount.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the MK2 ACRO AIMPOINT MOUNT by following all instructions and safety precautions outlined in this guide.
- **Enhanced Recalls:** In the unlikely event that a safety issue arises, recall notices will be issued. Please stay informed about any recalls related to this product.
- **Online Shopping Protections:** If purchased online, ensure that the seller complies with safety requirements similar to those of physical stores.
- **Special Consumer Focus:** This product is not intended for use by children. Ensure that it is stored out of reach of minors.
- **EU Contact Point:** For any safety inquiries, please refer to the designated EU contact point provided by the retailer or manufacturer.
- **Rapid Alerts:** Stay updated on any safety concerns or product recalls via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Inspection:** Before each use, inspect the mount for any visible damage. Do not use the mount if it appears damaged or compromised.
- **Assembly:** Ensure that all components are securely fastened before use. Loose components can lead to malfunction or accidents.
- **Environment:** Use the mount in appropriate conditions. Avoid exposure to extreme temperatures, moisture, or corrosive substances.
- **Weight Limit:** Do not exceed the recommended weight limit for the mount. Overloading can compromise safety and functionality.
- **Secure Installation:** Always ensure that the mount is installed securely to prevent accidental detachment during use.
- **Use of Tools:** Use the provided Midwest Industries Optic Mount Tool for adjustments. Avoid using makeshift tools that may damage the mount.

Instructions for Installation and Usage

1. Installation:

- Begin by identifying the mounting location on your firearm.
- Align the MK2 ACRO AIMPOINT MOUNT with the mounting points on your firearm.
- Use the Torx hardware provided to secure the mount in place. Ensure that all screws are tightened to the specified torque of 35 lbs.
- Doublecheck that the mount is securely attached before proceeding.

2. Adjusting the Optic:

- Use the Midwest Industries Optic Mount Tool to adjust the optic as needed.
- Make small adjustments and test the alignment before finalizing the position.

3. Using the Mount:

- Ensure that the optic is securely attached to the mount.
- Regularly check the mount and optic for any signs of wear or loosening during use.

Disposal Instructions

When disposing of the MK2 ACRO AIMPOINT MOUNT, please follow these guidelines:

- **Environmental Considerations:** Dispose of the mount in accordance with local regulations regarding electronic and metal waste.
- **Recycling:** Where possible, recycle materials to minimize environmental impact. Check with local recycling facilities for appropriate disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the MK2 ACRO AIMPOINT MOUNT, please refer to the contact information provided by your retailer or manufacturer for assistance.

By adhering to these safety instructions, you can ensure a safe and effective experience with the MK2 ACRO AIMPOINT MOUNT. Thank you for your attention to these guidelines.
