MK2 RMR Mount Safety Instruction Guide

Introduction

Thank you for choosing the MK2 RMR Mount by Midwest Industries, Inc. This guide provides essential safety instructions and information for the safe use and installation of your product. Please read this document carefully to ensure proper handling and maintenance.

General Safety Guidelines

- Ensure that the MK2 RMR Mount is used only for its intended purpose.
- Regularly inspect the mount for any signs of wear or damage before each use.
- Always follow the installation instructions provided in this guide to avoid any hazards.
- Keep the product out of reach of children and vulnerable individuals to prevent accidents.
- Report any unsafe conditions or accidents involving the product to the relevant authorities.

Specific Safety Precautions for Use

- Use only the recommended Torx hardware for assembly to ensure secure attachment.
- Avoid overtightening screws, as this may lead to damage or failure of the mount.
- Ensure that the optic is securely attached to the mount before use.
- Do not expose the mount to extreme temperatures or harsh chemicals that may compromise its integrity.
- If you notice any unusual behavior or failure of the mount, discontinue use immediately and consult a professional.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools, including the Midwest Industries Optic Mount Tool and Torx hardware.
- Ensure that the mounting surface is clean and free from debris.

2. Installation Steps

- Align the MK2 RMR Mount with the designated mounting surface.
- Insert the Torx screws into the clamps and handtighten them to secure the mount in place.
- Use the Midwest Industries Optic Mount Tool to tighten the screws to the manufacturer's specifications.
- Attach your optic to the mount according to the manufacturer's instructions for the optic.

3. Usage

- Before each use, check that the mount and optic are securely attached and functioning properly.
- Make adjustments to the optic as necessary, using the Midwest Industries Optic Mount Tool for precision.
- After use, clean the mount and optic to maintain their condition.

Disposal Instructions

- Dispose of the MK2 RMR Mount responsibly at a designated recycling facility or in accordance with local regulations.
- Do not dispose of the mount in regular household waste.
- Ensure that any packaging materials are also recycled or disposed of properly.

Contact Information for Further Support

For any inquiries or support regarding the MK2 RMR Mount, please refer to the contact information provided by the retailer or manufacturer. It is essential to have access to support for any questions or concerns you may have about the product's safety or performance.

This guide is designed to ensure your safety and satisfaction with the MK2 RMR Mount. For more detailed information or updates, please consult the manufacturer or your retailer. Thank you for prioritizing safety in your use of this product.
