MK2 RMR Mount Safety Instructions

Introduction

Thank you for choosing the MK2 RMR Mount from Midwest Industries, Inc. This product is engineered for precision and built to last, providing reliable performance for your red dot or reflex sights. Please read this safety instruction guide carefully to ensure safe usage and installation.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Regularly inspect the mount for any signs of wear or damage before use.
- Always follow the manufacturer's instructions for installation and usage.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe product experiences or accidents to the relevant authorities.
- Stay updated on recall information via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use only compatible optics with the MK2 RMR Mount to avoid malfunction.
- Ensure the mount is securely attached to the firearm before each use.
- Avoid overtightening the Torx hardware during installation; follow the recommended torque specifications.
- Do not modify the mount or use it in a manner not intended by the manufacturer.
- Always wear appropriate eye protection when using firearms.

Instructions for Installation and Usage

1. **Unboxing:** Carefully remove the MK2 RMR Mount from its packaging. Ensure all components are included:

- MK2 RMR Mount
- Torx hardware
- Midwest Industries Optic Mount Tool

2. **Installation:**

- Select the appropriate height configuration for your setup (Low, Lower 1/3 Cowitness, Absolute Cowitness, or NV 2.26").
- Align the mount with the optic and the firearm's mounting interface.
- Secure the mount using the provided Torx hardware. Ensure that the clamps are properly seated.
- Use the Midwest Industries Optic Mount Tool to adjust the mount as necessary.

3. **Usage:**

- After installation, verify that the optic is securely mounted and that the returntozero performance is optimal.
- Regularly check the mount for tightness and integrity before each shooting session.
- If any issues arise during use, discontinue use immediately and inspect the mount.

Disposal Instructions

- Dispose of the MK2 RMR Mount in accordance with local regulations.
- Consider recycling components where applicable.

- Do not dispose of in household waste unless permitted by local laws.

Contact Information for Further Support
