

# RIFLE CASE HOLDERS - L.E. WILSON 33 XC CASE HOLDER - STANDARD

[Reloading](#) > [Case Preparation](#) > [Case Trimming](#) > [Trimmer Case Holders](#)

The L.E. Wilson Rifle Case Holder holds the case for trimming, primer pocket reaming, neck reaming and deburring. The L.E. Wilson Trimmer Case Holder provides the ultimate accuracy and uniformity for trimming your cases. The unique design of the case holder supports the case body, much like a chamber of a firearm. The Case Holders are precisely manufactured for consistent results and repeatability. The FIRED Case Holders are for Neck Sized Cases. NEW Case Holders work with new, unfired brass or cases that have been full length sized. If a type isn't specified the holder will fit both Fired, New, Neck or Full Length sized cases.

# Safety Instructions for L.E. Wilson 33 XC Rifle Case Holder

## Introduction

Thank you for choosing the L.E. Wilson 33 XC Rifle Case Holder. This product is designed to provide the ultimate accuracy and uniformity for trimming your cases. To ensure safe usage and optimal performance, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in this manual.
- Always wear appropriate eye protection when using the rifle case holder and trimming tools.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the case holder for any signs of wear or damage before use.
- Do not modify or alter the case holder in any way.
- If you encounter any issues or feel unsafe while using the product, discontinue use immediately and seek assistance.

## Specific Safety Precautions for Use

- **Fired Cases:** Use the FIRED Case Holders specifically designed for necksized cases only.
- **New Cases:** Use NEW Case Holders for new, unfired brass or cases that have been fulllength sized.
- **Compatibility:** If a type isn't specified, the holder will fit both fired, new, neck, or fulllength sized cases. Ensure compatibility before use.
- **Trimming Process:** Always follow the manufacturer's instructions for trimming and reaming to avoid accidents.
- **Work Area:** Use the case holder in a welllit and organized workspace to minimize risks.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and materials before starting.
- Ensure that your work area is clean and free from distractions.

### 2. Installation:

- Securely attach the case holder to your trimmer according to the manufacturer's guidelines.
- Ensure that the case holder is properly aligned and tightened to prevent movement during use.

### 3. Using the Case Holder:

- Insert the case into the holder ensuring it fits snugly.
- Follow the trimming, primer pocket reaming, neck reaming, and deburring procedures as per the manufacturer's instructions.
- Maintain a firm grip on the trimmer and case holder while operating.

### 4. PostUse:

- Remove the case holder from the trimmer after use.
- Clean the case holder and trimmer to remove any debris or brass shavings.
- Store the case holder in a safe place, out of reach of children.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the case holder in regular household waste if it is damaged or no longer functional.
- Check with local waste management for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or additional support regarding the L.E. Wilson 33 XC Rifle Case Holder, please reach out to the designated EU contact point provided with your product packaging.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective experience while using the L.E. Wilson 33 XC Rifle Case Holder. Always prioritize safety and seek assistance if unsure about any procedures. Thank you for choosing our product, and happy trimming!
