

RIFLE CASE HOLDERS - L.E. WILSON 8.6 BLACKOUT CASE HOLDER - STANDARD

[Reloading](#) > [Case Preparation](#) > [Case Trimming](#) > [Trimmer Case Holders](#)

The L.E. Wilson Rifle Case Holder holds the case for trimming, primer pocket reaming, neck reaming and deburring. The L.E. Wilson Trimmer Case Holder provides the ultimate accuracy and uniformity for trimming your cases. The unique design of the case holder supports the case body, much like a chamber of a firearm. The Case Holders are precisely manufactured for consistent results and repeatability. The FIRED Case Holders are for Neck Sized Cases. NEW Case Holders work with new, unfired brass or cases that have been full length sized. If a type isn't specified the holder will fit both Fired, New, Neck or Full Length sized cases.

Safety Instruction Guide for L.E. Wilson 8.6 Blackout Case Holder

Introduction

Thank you for choosing the L.E. Wilson 8.6 Blackout Case Holder. This product is designed to securely hold cases for trimming, primer pocket reaming, neck reaming, and deburring. To ensure your safety and the optimal performance of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always use the product as intended and according to the instructions provided.
- Regularly inspect the case holder for any signs of wear or damage before use.
- Keep the case holder out of reach of children and pets to prevent accidents.
- Ensure that your workspace is clean and organized to minimize the risk of injury.
- If you experience any difficulties or have questions regarding the product, seek assistance from a qualified professional.

Specific Safety Precautions for Use

- The L.E. Wilson Case Holder is designed for use with specific types of cases. Ensure you are using the correct type:
 - FIRED Case Holders are for Neck Sized Cases.
 - NEW Case Holders are compatible with new, unfired brass or cases that have been full length sized.
- Do not exceed the recommended usage limits of the case holder to avoid damage or injury.
- Always wear appropriate safety gear, such as safety glasses, when using the case holder to protect against debris.
- Avoid wearing loose clothing or jewelry that could become caught in the machinery during operation.
- Store the case holder in a dry, cool place when not in use to prevent corrosion or damage.

Instructions for Installation and Usage

1. Installation:

- Ensure that the trimmer and case holder are compatible.
- Securely attach the case holder to the trimmer according to the manufacturer's instructions.
- Verify that the case holder is properly aligned and tightened before use.

2. Usage:

- Insert the case into the holder, ensuring it fits snugly and securely.
- Follow the specific trimming or reaming instructions provided with your trimmer.
- Monitor the process closely to ensure that the case holder is functioning correctly.
- After use, remove the case from the holder and clean the holder as needed.

Disposal Instructions

- Dispose of the case holder in accordance with local regulations.
- If the case holder is damaged beyond repair, consider recycling it if possible.
- Do not dispose of the case holder in regular household waste.

Contact Information for Further Support

For any safety inquiries or assistance regarding the L.E. Wilson 8.6 Blackout Case Holder, please refer to the contact information provided with your product packaging.

By following these safety instructions, you can ensure a safe and efficient experience while using the L.E. Wilson 8.6 Blackout Case Holder. Thank you for your attention to these important guidelines.
