

# EXPANDING MANDRELS - L.E. WILSON 270 CALIBER (0.276) EXPANDING MANDREL

[Reloading](#) > [Case Preparation](#) > [Neck Turning](#) > [Turning & Expander Mandrels](#)

The Wilson Expanding Mandrels. Designed to be used on NEW brass cases to prepare the case for the seating operation. New brass cases are often damaged when shipped in bulk, this die will give you a consistent neck diameter on your cases. With correct neck tension you can expect a more consistent seating depth.

# Safety Instruction Guide for EXPANDING MANDRELS L.E. WILSON 270 CALIBER (0.276) EXPANDING MANDREL

## Introduction

Thank you for choosing the EXPANDING MANDRELS L.E. WILSON 270 CALIBER (0.276) EXPANDING MANDREL. This guide provides essential safety information and instructions for the proper use, installation, and disposal of the product. Following these guidelines will help ensure your safety and the safety of others.

## General Safety Guidelines

- Always read and understand all instructions before using the product.
- Keep the product out of reach of children and vulnerable individuals.
- Ensure you are using the product in a safe and appropriate environment.
- Regularly inspect the mandrel for any signs of damage or wear before use.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay updated on recall information via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use the mandrel only with NEW brass cases designed for the 270 caliber (0.276).
- Avoid using damaged or deformed brass cases as they may pose safety risks.
- Ensure that the mandrel is properly secured during use to prevent accidents.
- Use appropriate personal protective equipment (PPE), such as safety glasses, when operating the mandrel.
- Do not exceed the recommended specifications for the mandrel to avoid malfunction or injury.
- Always perform a test run with a single case before mass production to ensure proper function.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your workspace is clean and free of obstructions.
- Gather all necessary tools and materials.

### 2. Installation:

- Secure the mandrel in a suitable turning or expander setup.
- Verify that the mandrel is tightly fixed and will not move during operation.

### 3. Usage:

- Insert the NEW brass case into the mandrel.
- Activate the turning or expander mechanism slowly to allow the mandrel to expand the neck of the case.
- Monitor the process closely to ensure consistent neck diameter.
- After processing, remove the case and inspect it for uniformity and any signs of damage.

### 4. PostUsage:

- Clean the mandrel after use to maintain its performance and longevity.

- Store the mandrel in a dry, secure location away from children and pets.

## **Disposal Instructions**

- Dispose of any damaged or unusable brass cases and mandrels in accordance with local regulations.
- Recycle materials whenever possible to minimize environmental impact.
- Do not dispose of the product in regular household waste.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety and use of the EXPANDING MANDRELS L.E. WILSON 270 CALIBER (0.276) EXPANDING MANDREL, please consult your retailer or manufacturer's website for further assistance.

By adhering to these guidelines, you can ensure a safe and effective experience with your EXPANDING MANDRELS L.E. WILSON product. Thank you for your attention to safety and responsible use.
