

BUSHING FULL LENGTH DIES - L.E. WILSON 22 CREEDMOOR FULL LENGTH SIZING DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Wilson Bushing Type Full Length Sizing Die. This die will allow you to size the case neck to your desired neck tension along with sizing down the rest of the case body at the same time. Die includes an adjustable depth decapping rod. An extra Decapping Punch is included. These dies do not contain an expander. Made of High Quality Heat Treated Steel. These Full Length Bushing dies mimic the neck sizing of Wilsons' neck sizing dies and are designed to leave 3/16" at the bottom of the case neck unsized, a practice many shooters prefer and find to be more accurate than sizing the full neck. Mad from High Quality Material - Hardened to L.E. Wilson Specifications Harder than a Grade 8 Bolt Interchangeable Bushings Standard 7/8ths Reloading Press Sizes Shoulder and Body Dimensions Stainless Parts for a Long Lasting Finish Durable and Accurate L.E. Wilson manufactured lock nut - thickness is .225" from inside to outermost edge .270" for height and 1.250" total width OD. Neck Bushing sold separately, we suggest using LE Wilson Neck bushings but Redding bushings will also fit.

Safety Instruction Guide for BUSHING FULL LENGTH DIES L.E. WILSON 22 CREEDMOOR FULL LENGTH SIZING DIE

Introduction

Thank you for choosing the BUSHING FULL LENGTH DIES L.E. WILSON 22 CREEDMOOR FULL LENGTH SIZING DIE. This guide provides important safety information and instructions to ensure the safe and effective use of this product. Please read this guide carefully before using the die.

General Safety Guidelines

- Ensure that the die is used only for its intended purpose, which is to size cases for reloading ammunition.
- Always wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when handling or using this product.
- Keep the die and all reloading components out of reach of children and unauthorized users.
- Be aware of your surroundings and ensure that no one is in close proximity when operating the die.
- Regularly inspect the die for any signs of wear or damage. If any issues are found, cease use immediately and consult a qualified professional.
- Follow all local, national, and international laws and regulations regarding the reloading of ammunition.

Specific Safety Precautions for Use

- Use only compatible reloading presses with a standard 7/8ths size to ensure proper fitting and function.
- Do not attempt to modify the die or use it in a manner not specified in the instructions.
- Ensure that the adjustable depth decapping rod is securely fastened before use.
- Always check that the neck bushing is properly installed and compatible with the die before beginning the sizing process.
- Avoid overtightening the lock nut, as this may damage the die or affect its performance.
- Store the die in a dry, cool place to prevent rust and deterioration.

Instructions for Installation and Usage

1. Installation

- Secure the die into the reloading press using the standard 7/8ths threading.
- Attach the adjustable depth decapping rod, ensuring it is tightened properly.
- Insert the neck bushing (sold separately) into the die, ensuring it is compatible with the 22 Creedmoor cartridge.

2. Usage

- Prepare your cases for resizing by cleaning and inspecting them for any damage.
- Insert the case into the die and raise the press handle to begin the sizing process.
- Monitor the sizing process closely and ensure that the case neck is sized to your desired tension.
- After resizing, lower the press handle and remove the case.
- Inspect the resized case to ensure it meets your specifications.

Disposal Instructions

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not dispose of the die or any metal parts in regular household waste. Instead, take them to a

designated recycling center or hazardous waste facility.

Contact Information for Further Support

For any safety inquiries or concerns regarding the BUSHING FULL LENGTH DIES L.E. WILSON 22 CREEDMOOR FULL LENGTH SIZING DIE, please refer to your retailer or the manufacturer for assistance.

Conclusion

By following these safety instructions, you can ensure the safe and effective use of your BUSHING FULL LENGTH DIES L.E. WILSON 22 CREEDMOOR FULL LENGTH SIZING DIE. Always prioritize safety and adhere to best practices when reloading ammunition. Thank you for your attention to these guidelines.
