

# BUSHING FULL LENGTH DIES - L.E. WILSON FLD 280 ACKLEY FULL LENGTH SIZING DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Wilson Bushing Type Full Length Sizing Die. This die will allow you to size the case neck to your desired neck tension along with sizing down the rest of the case body at the same time. Die includes an adjustable depth decapping rod. An extra Decapping Punch is included. These dies do not contain an expander. Made of High Quality Heat Treated Steel. These Full Length Bushing dies mimic the neck sizing of Wilsons' neck sizing dies and are designed to leave 3/16" at the bottom of the case neck unsized, a practice many shooters prefer and find to be more accurate than sizing the full neck. Mad from High Quality Material - Hardened to L.E. Wilson Specifications Harder than a Grade 8 Bolt Interchangeable Bushings Standard 7/8ths Reloading Press Sizes Shoulder and Body Dimensions Stainless Parts for a Long Lasting Finish Durable and Accurate L.E. Wilson manufactured lock nut - thickness is .225" from inside to outermost edge .270" for height and 1.250" total width OD. Neck Bushing sold separately, we suggest using LE Wilson Neck bushings but Redding bushings will also fit.

# Safety Instruction Guide for BUSHING FULL LENGTH DIES L.E. WILSON FLD 280 ACKLEY FULL LENGTH SIZING DIE

## Introduction

Thank you for purchasing the Bushing Full Length Dies by L.E. Wilson. This guide provides essential safety instructions and information to ensure the safe use of this product. Please read this document carefully before using the die to understand the necessary precautions and procedures.

## General Safety Guidelines

- Ensure the product is used in a wellventilated area.
- Always wear appropriate safety gear, including safety glasses and gloves, when handling or using this product.
- Keep the die and all reloading components out of reach of children and unauthorized persons.
- Regularly inspect the die for any signs of wear or damage before each use.
- Follow all manufacturer instructions for use and maintenance.
- Report any unsafe conditions or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - Risk of injury from sharp edges or moving parts.
  - Risk of eye injury from debris during resizing operations.
  - Potential for misfitting components leading to malfunction or accidents.
- **Avoiding Hazards:**
  - Always ensure the die is securely attached to the reloading press before use.
  - Do not attempt to modify the die or its components.
  - Use only compatible neck bushings as recommended by the manufacturer.
  - Keep hands and other body parts clear of moving parts during operation.
  - Do not exceed the recommended load limits for the die.

## Instructions for Installation and Usage

### 1. Installation:

- Clean the reloading press and ensure it is free of debris.
- Securely attach the Bushing Full Length Sizing Die to the reloading press using the provided lock nut.
- Adjust the depth of the decapping rod as needed for your specific case length.

### 2. Usage:

- Insert the case into the die.
- Ensure the die is set to the desired neck tension by selecting the appropriate neck bushing (sold separately).
- Operate the reloading press slowly and steadily to resize the case.
- After resizing, inspect the case for proper dimensions and any signs of damage.

### 3. PostUsage:

- Clean the die and reloading press after each use to maintain performance.
- Store the die in a dry place, away from moisture and extreme temperatures.

## **Disposal Instructions**

- Dispose of any damaged or wornout dies according to local regulations for metal or hazardous waste.
- Do not dispose of the die in regular household waste. Check with local authorities for proper disposal methods.

## **Contact Information for Further Support**

For any questions, concerns, or safety inquiries regarding the Bushing Full Length Dies, please refer to the manufacturer's website or contact their customer service department directly. Ensure you have your product details available for quicker assistance.

By following these safety instructions, you can ensure a safer reloading experience with the Bushing Full Length Dies by L.E. Wilson. Always prioritize safety and compliance with applicable regulations when using this product.
