

BUSHING FULL LENGTH DIES - L.E. WILSON 33 XC FULL LENGTH SIZING DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Wilson Bushing Type Full Length Sizing Die. This die will allow you to size the case neck to your desired neck tension along with sizing down the rest of the case body at the same time. Die includes an adjustable depth decapping rod. An extra Decapping Punch is included. These dies do not contain an expander. Made of High Quality Heat Treated Steel. These Full Length Bushing dies mimic the neck sizing of Wilsons' neck sizing dies and are designed to leave 3/16" at the bottom of the case neck unsized, a practice many shooters prefer and find to be more accurate than sizing the full neck. Mad from High Quality Material - Hardened to L.E. Wilson Specifications Harder than a Grade 8 Bolt Interchangeable Bushings Standard 7/8ths Reloading Press Sizes Shoulder and Body Dimensions Stainless Parts for a Long Lasting Finish Durable and Accurate L.E. Wilson manufactured lock nut - thickness is .225" from inside to outermost edge .270" for height and 1.250" total width OD. Neck Bushing sold separately, we suggest using LE Wilson Neck bushings but Redding bushings will also fit.

Safety Instruction Guide for BUSHING FULL LENGTH DIES L.E. WILSON 33 XC FULL LENGTH SIZING DIE

Introduction

Thank you for purchasing the BUSHING FULL LENGTH DIES L.E. WILSON 33 XC FULL LENGTH SIZING DIE. This product is designed for precision reloading and must be used safely to ensure optimal performance and user safety. This guide provides essential safety instructions and guidelines to help you use this product correctly and responsibly.

General Safety Guidelines

- Always read and understand the product instructions before use.
- Ensure that the reloading area is well-ventilated and free from distractions.
- Use personal protective equipment (PPE) such as safety glasses and gloves when operating the die.
- Keep the die and all reloading components out of reach of children and unauthorized users.
- Regularly inspect the die for any signs of wear or damage. Do not use if damaged.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure the die is compatible with your reloading press (standard 7/8ths reloading press sizes).
- Do not exceed the recommended load limits for the 33 XC cartridge.
- Avoid using the die for purposes other than those specified by the manufacturer.
- Use only L.E. Wilson or compatible neck bushings to ensure proper function.
- Be cautious of sharp edges when handling the die and its components.
- Follow all local laws and regulations regarding reloading and ammunition.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials before starting.
- Ensure your workspace is clean and organized.

2. Installation:

- Securely attach the die to your reloading press according to the manufacturer's instructions.
- Adjust the depth decapping rod as needed for your specific reloading requirements.

3. Usage:

- Insert the cartridge case into the die and ensure it is seated properly.
- Operate the press smoothly and steadily to resize the case neck and body.
- After resizing, remove the case and inspect it for proper dimensions and quality.
- If using neck bushings, ensure they are fitted correctly before starting the resizing process.

4. PostUse:

- Clean the die and store it in a safe, dry place.
- Regularly check for any signs of wear, and replace parts as necessary.

Disposal Instructions

- Dispose of any damaged or worn components in accordance with local regulations.
- Do not throw the die or its components into regular waste; check for recycling options or hazardous waste disposal facilities if applicable.

Contact Information for Further Support

For further assistance or inquiries regarding the BUSHING FULL LENGTH DIES L.E. WILSON 33 XC FULL LENGTH SIZING DIE, please refer to the manufacturer's website or contact their customer support.

By following these safety instructions, you can ensure a safe and effective reloading experience. Always prioritize safety and compliance with all relevant guidelines when using this product.
