

# BUSHING FULL LENGTH DIES - L.E. WILSON 6.8 WESTERN FULL LENGTH SIZING DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Wilson Bushing Type Full Length Sizing Die. This die will allow you to size the case neck to your desired neck tension along with sizing down the rest of the case body at the same time. Die includes an adjustable depth decapping rod. An extra Decapping Punch is included. These dies do not contain an expander. Made of High Quality Heat Treated Steel. These Full Length Bushing dies mimic the neck sizing of Wilsons' neck sizing dies and are designed to leave 3/16" at the bottom of the case neck unsized, a practice many shooters prefer and find to be more accurate than sizing the full neck. Mad from High Quality Material - Hardened to L.E. Wilson Specifications Harder than a Grade 8 Bolt Interchangeable Bushings Standard 7/8ths Reloading Press Sizes Shoulder and Body Dimensions Stainless Parts for a Long Lasting Finish Durable and Accurate L.E. Wilson manufactured lock nut - thickness is .225" from inside to outermost edge .270" for height and 1.250" total width OD. Neck Bushing sold separately, we suggest using LE Wilson Neck bushings but Redding bushings will also fit.

# Safety Instruction Guide for BUSHING FULL LENGTH DIES L.E. WILSON 6.8 WESTERN FULL LENGTH SIZING DIE

## Introduction

Thank you for choosing the BUSHING FULL LENGTH DIES L.E. WILSON 6.8 WESTERN FULL LENGTH SIZING DIE. This guide provides essential safety instructions and guidelines to ensure safe and effective use of the product. Please read this guide carefully before use to understand all safety precautions and operational instructions.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of this product by following all instructions and guidelines provided in this manual.
- **Enhanced Recalls:** Stay informed about product recalls. Regularly check for updates to ensure your product is safe.
- **Online Shopping:** If purchased online, ensure that the seller complies with safety requirements similar to those of physical stores.
- **Special Consumer Focus:** This product is not intended for use by children. Ensure it is stored safely out of reach of minors.
- **EU Contact Point:** For any safety inquiries, refer to the designated EU contact point associated with this product.
- **Rapid Alerts:** Be aware of the Safety Gate system for faster updates on any unsafe products.

## Specific Safety Precautions for Use

- **Handling:** Always handle the die with care. Avoid dropping or mishandling it to prevent damage.
- **Personal Protective Equipment (PPE):** Use appropriate PPE, such as safety glasses and gloves, when handling reloading equipment.
- **Work Area:** Ensure your work area is clean, welllit, and free from distractions when using this die.
- **Compatibility:** Use only with compatible reloading presses. Ensure you are using the correct bushings for optimal performance.
- **Inspection:** Regularly inspect the die for any signs of wear or damage. Do not use if damaged.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the reloading press is securely mounted and stable.
- Insert the die into the press and tighten it according to the manufacturer's specifications.
- Adjust the depth decapping rod to your desired setting before use.

### 2. Usage:

- Load the case into the press and ensure it is properly positioned.
- Operate the press according to the manufacturer's instructions.
- Adjust the neck tension as needed by changing the bushing if necessary.
- After sizing, remove the case and inspect it for proper sizing.

### 3. Maintenance:

- Clean the die after each use to prevent residue buildup.

- Store the die in a dry place to avoid rust and corrosion.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If the die is damaged beyond repair, dispose of it responsibly, ensuring it does not pose a safety risk to others.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of this product, please refer to the designated EU contact point associated with this product for assistance.

Thank you for prioritizing safety while using the BUSHING FULL LENGTH DIES L.E. WILSON 6.8 WESTERN FULL LENGTH SIZING DIE. Your adherence to these guidelines will help ensure a safe and effective reloading experience.
